MEDICAL.

GRINDLE'S
ANCIENT AND CELEBRATED
JAPANESE LIFE PILLS
NATURE'S OWN REMEDY.

A Perfect Cure for Liver Complaint and Bilious Disorders, Dyspepsia, Constipation, Scrofula, Cutaneous Diseases, Fever and Ague, Costiveness, Piles, Dizziness and Disorder, Worms, Disorganization of the Stomach, Nervous Debility, &c.

For a long time we have been compelled to witness with painful anxiety the many alarming and life-destroying drugs made into pills and liquid medicines, and unknowing them without knowing their injurious effects upon their systems. This monstrous evil may now be entirely escaped by using only these ANCIENT JAPANESE LIFE PILLS and our MAGIC COMPOUND. For many years we have studied hard to find a cathartic which, while it purged, would invigorate the system and not mere *bowels alone*; would *remove and strengthen*, and not *deplete and weaken* the system.

We now substantially say that this so-much-sought for remedy—a cathartic of mild and pleasant operation, actually throwing out disease and not mere *aversions*, thoroughly purifying the blood, and *immediately invigorating* the system—has been found. They will not only relieve, but positively cure every disease for which they are recommended. These Pills have stood the test of the Japanese Faculty for centuries, and the same kind of ingredients that composed the pills at that ancient time are continued to the present day.

No medicine except our MAGIC COMPOUND ever met with such universal approbation. Scarcely a time, and the thousands of orders pouring in for them from all parts of the country are wonderful and astonishing. The number of those that have been cured by females alone for their various complaints constitutes in itself an immense trade. They are not the "female pills" so much puffed into public notice, which, instead of curing, produce great and dangerous complaints; but are for males or female, old or young, and cure by acting directly on disease.

The Pills are sent by mail, from the proprietor only, on receipt of the price. The postage in the United States, not over 3,000 miles, is 6 cents remit in new paper, which must be inclosed in money or stamps. We are responsible for all moneys sent us by mail.

For sale by respectable druggists and dealers in medicine throughout the United States, the Canadas, Mexico, South America, &c., at 25 cents a box, or five boxes for $1.

JOSIAH S. GRINDLE, New York, Sole Proprietor, to whom all letters must be addressed. Also Proprietor of Dr. *Wesley Grindle's Celebrated Magic Compound*, the great remedy for PULMONARY CONSUMPTION.

ANTEPHELIC MILK.
TEN THOUSAND FLASKS RECEIVED IN 1856.

No More Wrinkles! No More Freckles!
Preservation and Regeneration of the Skin and the Complexion.

ANTEPHELIC MILK, so advantageously known, is employed in France principally for the treatment of those scarcely freckles, which were said to be indelible. This preparation has been a Right years of constantly increasing success has proved that the Antephelic Milk has not yet received a pimple or freckle, a blotch or spot appearing during gestation, and which has not at once given way to its application, externally only, and left the clear, red and smoothness complexion.

A SINGLE BOTTLE is all that is required to effect an infallible specific against the affections above stated, but, mixed with water, and employed a quarter of an hour before the morning ablutions, it purifies the skin, without irritating or altering it; gives tone to the coloring secretions, whether pimply or yellow, destroys all sorts of pimples and roughness of the skin, prevents the return of freckles, disguises or prevents the formation of wrinkles, and by its specific action, gives to the skin and preserves for it the purest, finest shade of color.

A single flask will suffice to give to the skin all the appearance of youthfulness which may be indefinitely maintained, by making use of the preparation in the manner indicated in the prospectus.

P. S. The Fragrant Vegetable Powder of the same maker continues to be recommended by those who desire to preserve their beauty.
