Preservation of the Sight.

MR. C. DUHAMEL, optician, No 46 Chartres street, begs leave to inform all those whose sight is defective that he has just received a fresh invoice of patent Cylindrical Glasses, approved by the most renowned oculists in Paris, and Drs. Beard, Pennisson, Cramer, Nee and others in New Orleans. This curb is such that these glasses can be used without the least danger to the weakest eyes.
The most skillful opticians have made a report declaring that the above articles are unquestionably the best for the preservation and improvement of the sight. Their superiority over all others consists in the focus being equally divided over the whole surface, instead of being in the center only, as is the case with spectacle glasses generally. The interposition of the two cylindrical curbs makes them besides achromatic, and, consequently, much clearer than the others.
Near-sighted persons will find a great improvement in these glasses.
A pattern showing the advantages of these new glasses will be exhibited and explained, on application to Mr. Duhamel, to all those who may be desirous of being further informed on the subject.

Richard's Pectoral Syrup.

THE above celebrated Syrup, well known in the city and in the country for the cure of Whooping Cough and the Spitting of Blood, is also the best remedy for inflammation of the Throat and Chest, such as Coughs, Colds, Hoarseness, &c. It has been proved, in numerous cases that by the use of a few spoonfuls when the first symptoms are manifested, the progress of the above mentioned evils is stayed, and a complete cure is brought about in from twelve to twenty-four hours.
The annoying and often fatal consequences of neglected bad colds ought to be a warning to every one and an inducement to buy RICHARD'S PECTORAL SYRUP, the sale of which has been considerably increasing for years, since experience has so clearly demonstrated its superiority over all other remedies of the kind. The moderate price of the same (75 cents) enables every one to procure it.

AYER'S SARSAPARILLA

A COMPOUND REMEDY designed to be the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:
Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from *Impurity of the Blood.*
This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered and overthrown.
Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.
During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
