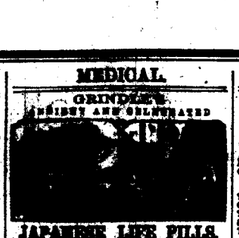
MEDICAL.

GRINDLE'S ABSIST AND ORLYMPATED



JAPANESE LIFE PILLS.

NATURE'S OWN REMEDY.

A Positive Cure for Liver Complaint and Bilious Disorders, Dyspepsia, Rheumatism, Scrofula, Gutinnular Diseases, Fever and Ague, Costiveness, Dysentery and Diarrhea, Worms, Jaundice, Pains of the Bowels, Nervous Debility, &c.

For a long time we have been compelled to witness with regret the many abominable, unnecessary and life-destroying drugs made into pills and liquid medicines, and we have long been without knowing their injurious effects using their system; but nevertheless we may now be entirely escaped by using these Japanese Life Pills and Liquid Liver Pills and our Blood Corrector. For many years we have studied hard to find a materia medica, while it would cleanse and purify the blood and not have worse than disease; would remove and strengthen, and not deplete and weaken the system.

We now unhesitatingly say that this so much-sought-for remedy—a catharetic of mild and pleasant operation, which will thoroughly cleanse and not move anything, thoroughly purifying the blood, and not weakening the system, but giving strength—has been found. They will not only relieve, but positively cure every disease for which they are recommended. These Pills have stood the test of the Japanese Japanese Faculty for centuries, and the same kind of ingredients that composed the pills at that ancient time are combined in the present day.

Medicine cannot cure! Humbug Concoctors ever will with much unbounded success in no short a time, and the thousands of orders pouring in for them from all parts of the country are wonderful and astonishing! The number of these Pills being used by Regulars alone for their various complicated conditions is almost an immense trade. They are not the "female pills" to much polluted public patronage, which, instead of curing, produce great and dangerous complaints, but are for male or female, old or young, and cure by acting directly on disease.

The Pills are sent by mail, free from the proprietor only, on receipt of the price. The postage in the United States, not over 3,000 miles, is fifteen cents on five boxes, which must be inclosed in money or stamps. We are responsible for all money sent us by mail.

For sale by respectable druggists and dealers in medicine throughout the United States, the Canadas, Mexico, South America, &c., at 25 cents a box, or five boxes for $1.

JOSIAH S. GRINDLE, New York, Sole Proprietor, to whom all letters must be addressed. Also, Proprietor of Dr. Wells Grindle's Celebrated Magic Compound, the great remedy for PULMONARY CONSUMPTION.

DOCTOR HOGLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY

Dr. C. M. JACKSON, Philadelphia, Pa.,

WILL EFFECTUALLY CURE

LIVER COMPLAINT, DYSPEPSIA,

Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach,

such
as Constipation,
Inflammation, Loss of Appetite,
Pulness or Blood to the
Head, Acidity of the Stomach,
Nausea, Heartburn, Disgust for Food,
Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin, and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American public, and has maintained and still maintains by any similar preparations extant. The testimony in its favor given by the most prominent and well-known physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, will be but justly the most skeptical that this remedy is really deserving the great celebrity it has obtained.
