DR. EDOUARD MARTIN'S HYGIENIC ELIXIR, Against Sea-sickness. FOR a long time past the scientific world, medical men especially, appear to have been struck with the remarkable fact, that among the innumerable collection of curative agents discovered, not one had been found to counteract or even mitigate the dreadful effects of sea-sickness. Several means have been tried to attain this end. These remedies, whether simple or compound after many trials, have hitherto proved signal failures. An idea may be formed thereof by the perusal of the annals of Pharmacy, Chemistry and Medicine of all countries, published within the last ten years. The inventor of the "Hygienic Elixir," has at length made this invaluable discovery. After numerous trials, changes and alterations in the proportions of the substances composing this Elixir, he is enabled to offer it to travellers in the shape of a palatable draught, not decomposed or altered either by climate or age. The Elixir checks sea-sickness immediately, and restores the stomach to its healthy state. However delicate be the constitution of the person using it, it is equally infallible, and procures a genial feeling of ease and comfort. The nausea ceases as if by magic, calm and sleep are restored the appetite awakened and the digestion effected promptly under the influence of this tonic. The inventor having had an opportunity during a recent sea voyage, to make personally a final trial of his Elixir, has made up his mind to offer it to the public. He could corroborate the above statements by testimonials from several sea-captains, but will appeal only to the opinion of one of the most intelligent and distinguished commanders of the French Commercial Navy. Captain Labory, having had opportunities of testing, under his own immediate supervision, the efficacy of this remedy, (then in the shape of pills) during several voyages, gives thus the result: DEAR DOCTOR:—During my last voyage to France I have had opportunities of testing, on divers persons, your remedy against sea-sickness; I am happy to be enabled to report to you that I have obtained the best results, and if it were possible to alter this remedy into a palatable draught, such as a lemonade of some kind, which could be more easily taken than in its present shape, especially when the sea-sickness has already commenced, nothing more would be required and you would be entitled to the everlasting gratitude of all those who are obliged to travel by sea, without being accustomed thereto. I am yours truly, Signed, A. LABORY, Com't. Ship l'Oscar. The improvement suggested by Capt. Labory, has been effected. The Tonic and Hygienic Elixir against sea-sickness, is sold in four ounce bottles with glass stoppers. Care must be taken to keep the bottle corked, to prevent evaporation. For sale wholesale and retail, by E. E. MOUGIN, Apothecary, New Orleans. Sole agent of the proprietor, Dr. Edouard Martin mh31-law

NEW ORLEANS FEMALE INSTITUTE, OR DAY AND BOARDING SCHOOL, For young Ladies, 259 Camp st., Conducted by Mrs. Macaulay. THIS Institution is under the personal supervision of Mrs. MACAULAY, and the class advanced in literature, science and philosophy, are under the care of Dr. Macaulay. The most accomplished teachers are employed in giving instructions in the French, Spanish and Italian languages, also in drawing and dancing. The piano, harp and guitar, as well as vocal music, are taught by professors of the highest grade of qualifications. There are now eight instructors in the institution, and it is the aim of the principals to make it, in all respects, such as parents may desire for their daughters. Every care is taken not only to instil pure morals, and proper habits of correct, lady-like deportment in the pupils, but to make them intelligent as well as accomplished, and consequently, fit for society and future usefulness. Young ladies from the country, living in the family as boarders, share in the enjoyments, privileges and attentions of daughters, and are uniformly treated, not so much as members of a boarding school, as daughters of an affectionate family. To the establishment is attached a large and well selected library, and to create a thirst for the acquisition of general knowledge as to the improvements and changes that are continually taking place in the literary, scientific and political world, leading Periodicals of a truly valuable character, and standard books of reference, are at the command of the young ladies, well arranged in school selection, for the important purposes of teaching them to acquire useful knowledge for themselves, by means of research and examination. Monthly reports issued, as to progress and conduct. A class for the study of the Latin language, will be formed on the first of November, and one on the use of the Globes. References are made to parents who have had their daughters at the institution for years and further particulars and circulars can be obtained by applying, personally or by letter either to Dr or Mrs. Macaulay. s23

Madame Deron, exclusively devoted to her pupils, applies herself not only to the cultivation of the mind, but also to the formation of the heart. She strongly desires that the young ladies confided to her care, may be remarked for all those valuable qualities which constitute a really good education, such as the spirit of order and decorum, amiability of temper, and soliety of judgment, mildness of manners and a sympathising disposition, and finally, easy grace and unaffected elegance of manners. In order to obtain these results, Madame Deron has always employed as auxiliaries both firmness and mildness, the constant use of emulation, and especially rewards for application and regularity to study. She is seconded by her sister-in-law, Mademoiselle Deron, who, like herself has always followed the career of instruction; these two ladies watch with the greatest zeal over the daily progress of the pupils. The locality of the institution well known and appreciated in New Orleans, is one of the most healthy and salubrious in the city, is perfectly well arranged; the dormitories and study rooms are spacious and airy, looking over several gardens, and there is besides a large yard for the recreation of the pupils. The general instruction is given both in French and English; it embraces all the branches which constitute a finished education for young ladies. The English language is the object of especial care, the Creole pupils are required in their communications with each other, and with their professors, to speak the English language exclusively. Mr. Orton, who has been attached to the Academy from its foundation, devotes a great part of his time to impart to the pupils the principles of the higher grammatical knowledge of the English language and literature, the other classes are intrusted to well qualified American governesses. Madame Deron has reserved to herself the direction of the French classes. She has besides secured the assistance of an excellent Professor of the higher sciences, Monsieur H. Jegon, who divides with Monsieur H. Orme and Madame Deron, the care of the French department. The Spanish language forms a part of the system of study. With respect to religious instructions M. l'Abbe Tholamere, whose zeal is so justly appreciated, continues to prepare the pupils for their first communion in the chapel of the institution. MUSIC. The study of Music is the object of particular care. Madame Laviliebeurre, an artist of the higher order is attached to the institution as Professor of the Piano and Harp. A course of Vocal Music by one of the best Professors of the city. As a means of emulation, the institution has adopted monthly musical examinations at which parents are invited to be present. A Professor of Dancing is attached to the establishment. s26

Good Testimony.

(The Ohio State Journal, (Columbus, O.) thus speaks of Bull's Sarsaparilla: IT HAS NO EQUAL.—The unprecedented sale of Dr. John Bull's Fluid Extract of Sarsaparilla in this city, where it has been introduced but a few months, shows conclusively that [illegible] [illegible] [illegible] Dear Sir: [illegible] [illegible] THAT BULL'S SARSAPARILLA is THE WONDER OF THE WORLD. And that it will cure you no matter how long you have been suffering. What Dr. Owen, Druggist and Apothecary of general years standing, says about BULL'S SARSAPARILLA. Louisville, May 24, 1848. Mr. John Bull—Dear Sir: [illegible] ... Very respectfully, J. H. OWEN.

RHEUMATISM. Let all those who are suffering from the agonizing torture of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy: Mr. John Bull—Dear Sir: For the last three years I have been afflicted with Rheumatism of the severest character. [illegible] ... ISHAM BRIGGS. Uniontown, Union co. Ky., May 12, 1848.

From Dr. Wm. T. Prentiss: Mr. Bull—In regard to your Sarsaparilla, I will say, that I have used it to some extent in Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all chronic diseases [illegible] [illegible] Respectfully yours, W. T. PRENTISS, M. D. Lewisport, Ky. Dec. 4, 1847.

It is perhaps needless to present any further testimony in favor of this great remedy. It is highly to be trusted and proved its worth by the relief it has afforded. Every one who are laboring under chronic diseases, diseased or sorrowful, nervous debility, [illegible] [illegible] Let them try it, and we assure them that they will not regret it.

NOTICE TO FEMALES. John Bull's Sarsaparilla is one of the greatest Female Medicines now in existence. [illegible] [illegible]

A BEAUTIFUL CLEAR SKIN. How we all admire a clear, beautiful, white skin, and a rosy colored cheek! [illegible] [illegible]

BETTER TESTIMONY. From Dr. James M. Moore. Mr. John Bull—I have no hesitation in saying that I believe your Sarsaparilla to be the best article in the shape of remedies for those Afflictions, Scrofulous, Cutaneous and Glandular Affections, having used it with entire success in a number of the above. JAS. M. MOORE, M.D. Louisville Dec 28, 1847.

More Testimony from Dr. Moore. Mr. John Bull—I am using your Sarsaparilla in several new cases of Scrofula, and with happy effect. I am now confident it is one of the most efficacious articles ever offered. I can be made for that disease. JAS. M. MOORE, M.D. Winchester, Ky. Feb 1, 1848.

Testimony like the following renders superfluous all further comments on the efficacy of Bull's Sarsaparilla: From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College. "I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases to which it is applicable. L. P. YANDELL, M. D." Louisville, June 6, 1848.

What Dr. Pyles, Physician, by appointment to the Louisville Marine Hospital, says of its efficacy: Louisville, March 80, 1849. I have examined the prescription for the preparation of John Bull's Sarsaparilla, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it, both in public and private practice, and think it the best article of the kind now in use. M. PYLES, M. D., Resident Physician, Louisville Marine Hospital.

From the People's Journal, Quincy, Ill. BULL'S SARSAPARILLA.—We have used the fourth of this favorable Sarsaparilla in our family, and can cheerfully recommend it to all who are afflicted. [illegible] [illegible]

This medicine is daily gaining friends and popularity in the western country, receiving favor from the most deserving testimonials.
