INVIGORATING GRUEL.

I. X. L. NOURISHING REMEDY

INVENTED AND PREPARED BY P. MARMAY.

THE inventor of this new and invaluable remedy has taken patents in France, England, Scotland, Ireland, Belgium and the United States.

This truly hygienic composition is a natural preparation of a pleasant taste—so much so that it is used as a relish by those in good health, and an infallible remedy in case of sickness.

The most chronic constipation yields to the daily use of the Invigorating Gruel; it must be taken twice a day—once in the morning and once in the evening, in the shape of a soup.

The astringent effects ordinarily resulting from Toddies, Bitters and Vermifuges, so valuable in many cases, are modified by the use of the Invigorating Gruel, which can without fear be given to persons of the most delicate stomachs.

This Invigorating Gruel has been tried by distinguished physicians, and it has been used triumphantly in every disease of the stomach, such as:

Dyspepsia, Gastritis, Heartburn, Megrims, Sick Headache, Pains in the Stomach, Costiveness, Vomiting, Chronic Diarrhea, &c., &c.

The Invigorating Gruel is taken in different ways: with a broth—with salt or sweetened milk—with or without the orange flower water. A spoonful of it is sufficient, and should be put in boiling milk and remain 15 or 20 minutes.

☞ To be taken morning and evening.

TO COTTON PLANTERS.

I TAKE pleasure in announcing that Messrs. MANDEVILLE & McILHENNY are my authorized agents in this city to make contracts for the use of

MY INVENTION

OF THE SEED COTTON OF PLANTATIONS AND ALL BUSINESS IN RELATION TO IT.

I will only say here that I make the same capital, the same location, the same steam power, the same expenses, very nearly that now raises, gins and bales the cotton, to spin it; that, with the addition of machinery costing about one-half what the increased value of the yarns the first year will be, and which is attended by surplus labor of the plantation, in little girls of 8 to 12, women and old men inefficient as field hands, I DOUBLE, OR MORE THAN DOUBLE THE PLANTER'S NET INCOME.

We spin the best yarns in the world. The danger from fire of the gin-house is immensely reduced, with many other advantages of great value. And what is of great importance is, that all this is fully demonstrated by its successful daily operation on the plantation of Col. Geo. S. Yerger, near Yazoo City.

Planters desiring more full particulars are referred to my agents, as above.

Applicants for agencies will please address them, inclosing testimonials.
