AYER'S AGUE CURE,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

[illegible]

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. [illegible]

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,

are so composed that disease within the range of their action can rarely withstand or evade them. [illegible] Costiveness, Heartburn, Headache arising from disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints arising from a low state of the body or obstruction of its functions. Ayer's Cherry Pectoral,

For the rapid cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

INVIGORATING GRUEL.

A. X. A. NOURISHING REMEDY

INVENTED AND PREPARED BY P. MARMAY.

THE inventor of this new and invaluable remedy has taken patents in France, England, Scotland, Ireland, Belgium and the United States.

This truly hygienic composition is a *natural* preparation of a pleasant taste—as much to suit it as remedy as relief by those in good health and an infallible remedy in case of sickness.

The most chronic constipation yields to the daily use of the Invigorating Gruel; it must be taken twice a day—once in the morning and once in the evening, in the shape of a soup.

The astringent effects ordinarily resulting from Tonics, Bitters and Vermifuges, so injurious in many cases, are modified by the use of the Invigorating Gruel, which can without fear be given to persons of the most delicate stomachs.

This Invigorating Gruel has been tried by distinguished physicians, and it has been used triumphantly in every disease of the stomach, such as
Dyspepsia, Gastritis, Heartburn, Megrims, Sick Headache, Pains in the Stomach, Costiveness, Vomiting, Chronic Diarrhea, &c., &c.

The Invigorating Gruel is taken in different ways: with a broth—with salt or sweetened milk—with or without the orange flower water. A spoonful of it is sufficient, and should be put in boiling milk and remain 15 or 20 minutes.

☞ To be taken morning and evening.

For further particulars, apply at the General Depot No. 44 Conti street, between Chartres and Royal streets New Orleans.

For sale, wholesale and retail, by A. RENAUD TRABER, principal agent in the United States. Depots in all the principal cities of the United States.

For sale by J. Rivet, 84 Customhouse street; James Syme, 134 Canal street, and J. Wright & Co., 21 and 151 Chartres street. nov19 3tc law 1y

MEDICAL.

Hostetter's Stomach Bitters.

Let the Afflicted Speak for Themselves.

Upwards of one thousand communications, received from all parts of the United States, we compile the following statement of the effects of HOSTETTER'S STOMACH BITTERS upon invalids who suffer from diseases of the digestive organs, from nervous affections and local debility arising from every variety of causes. By thus putting into a small compass the substance of a mass of authentic testimony, which, if published in full, would fill a volume, we present at one glance all the prominent reasons given by recovered patients for their confidence in a preparation which has restored them from a state of bodily suffering and mental depression that rendered life a burden to a condition of perfect health. Let it be clearly understood, then, that this statement is not the advertisement of the proprietors of HOSTETTER'S STOMACH BITTERS, but of upwards of one thousand of its patrons, the pith of whose opinions and experience of its merits we simply reproduce in this form for the information of all who are languishing in sickness and despondency. The *letters themselves*, verifying every word in this article, are on file, and accessible to any one who desires to read them. [illegible]

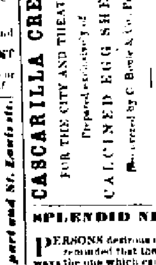
DUCONGE'S

PECTORAL BALSAMIC SYRUP.



It is now thirty years since this truly valuable Syrup was first offered to the public, and although it was never "puffed," nor even extensively advertised, it has, by its own merit, gained an imperishable reputation, and is daily increasing in popularity. Unlike most of the celebrated medicines of the day, it will not cure "all the ills that flesh is heir to," but it is sovereign in all diseases of the breast, chest and lungs, such as colds, coughs, catarrhs, bronchitis, inflammation of the throat, spitting of blood, whooping cough, influenza, &c.

In all affections of the lungs, verging on

CONSUMPTION,

it has been found to prevent that dreadful scourge, whenever timely resorted to.

It has also been found beneficial in many cases of rheumatism, diarrhea, dysentery, summer complaints, and especially in those cases of "Cholerine," which, for want of proper notice, so often degenerate into confirmed cholera.

The proprietor could publish hundreds of certificates establishing the efficacy of the PECTORAL BALSAMIC SYRUP, but this mode of recommendation has been so much abused that the reasoning public attach little or no faith to those certificates. The proprietor is, therefore, willing to let his Syrup stand upon its own merits.

It is certainly the BEST, but the most pleasant preparation ever offered to the public; indeed it is so palatable that even children take it without the least difficulty, and it requires no particular diet.

IT IS ALSO THE CHEAPEST,

because the bottles not only hold more Syrup than any other, but, owing to its peculiar composition, this Syrup will keep for years without fermenting, and can be used in families as required, by simply keeping the bottle corked.

Prepared and sold at the laboratory of the sole proprietor, F. P. DUCONGE, No. 39 Chartres street.

Sold, also, by JAMES SYME, Druggist, 134 Canal street, E. J. HART & CO., 79 Tchoupitoulas street, J. WRIGHT & CO., 21 and 151 Chartres st. and all respectable Druggists in the State. jan2

NEW ORLEANS Female Collegiate Institute, OR **BOARDING AND DAY SCHOOL FOR YOUNG LADIES,**

Under the Superintendence of Madame ED. LOCQUET, No. 202 Camp Street, BETWEEN JULIA AND ST. JOSEPH STREETS.

THIS establishment, founded by Dr. and Mrs. Mcauley, whose high reputation has never been questioned, will commence its sixteenth session on the 15th of September.

Mme. ED. LOCQUET, assisted by her sister, Mme. FRANCOIS LOCQUET, with whom she has associated herself, will use her best endeavors to continue to merit the confidence reposed, for so many years, in her predecessors.

Professors of the highest talent are employed in all the branches, both useful and ornamental. Piano, Music, and the study of the Solfege, will be taught exclusively by the Misses Locquet, whose reputation as performers on piano has been so well appreciated by the numerous families who have favored them with their confidence.

The French language, the native tongue of these ladies, and the acquirement of which is now indispensable to a good education, is taught with the utmost care, and is spoken in the Institution. Young ladies will therefore find in their constant intercourse with these teachers every facility possible for perfecting themselves in this language.

This establishment is commodious and well ventilated, and has recently been entirely renovated, with the utmost regard to the comfort and health of the pupils.

Mme. LOCQUET respectfully invites parents and families to call and visit her school, where prospectuses, with all other information which may be desired, can be obtained.

Letters of inquiry will be promptly attended to by the Principal. sep10 6m

Conducted by **G. J. LORD.**

THIS establishment, founded in 1833, has long held a high position in public opinion as one of the leading institutions in the South of the United States.

The plan comprises a general and extensive system of education. Pupils are admitted at six or seven years of age, and continue till they are prepared for their future pursuits in life. They are distributed into classes, according to their capacities and acquirements.

The premises are, perhaps, the best to be found in the city, with ample space for exercise and recreation, and every convenience for an institution of learning.

The Professors are gentlemen of talent, chosen with care. Good order reigns in the establishment, and strict attention is paid to the moral conduct and improvement of the pupils.

Madame Parent's Institution,

Corner Royal and Hospital Sts.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES.

THIS establishment has been removed to corner Royal and Hospital streets. The building is vast, well ventilated and well distributed for class rooms, dormitories, &c. Madame Parent avails herself of this occasion to thank the numerous families who have so largely patronized her institution, and would assure them that their daughters will receive the same maternal care as heretofore. The long known reputation of her institution is the best guarantee to that effect. The course of study embraces the same system, in both English and French, as that employed in the first class Institutions in the North and in Europe. Music, instrumental and vocal, including Solfege, is taught by the best masters; also Drawing and Painting; Dancing by Professor Vegas.

Madame Parent will remove her institution across the Lake during the summer months, but will keep the school open in the city throughout the year. Finally, there will be nothing wanting to complete a literary as well as refined education; also to secure to the hearts of young persons that pure morality which is the fundamental basis of the education, combining that easy elegance of manner so necessary to young persons. For further information address Madame Parent, at the Institution, where prospectuses can be obtained. oct4

AYA PANA BITTERS.

Manufactured by J. Chauvel.

THESE BITTERS, which are confessedly superior to any hitherto prepared, constitute an admirable beverage when taken moderately, before or after meals. It purifies the alimentary canal, and facilitates digestion.

These BITTERS are composed exclusively of the extracts of aromatic plants, and possesses the most incontestable medical qualities. Their tonic and stimulating properties render them particularly useful in cases of debility of the stomach, which, especially with women, and in warm climates, produces flatulence, colic, congestions, and a general and frequent feeling of indisposition. They are likewise a Febrifuge, and are proved by experience to neutralize the effect of miasma on the system.

We might publish a host of certificates to substantiate our assertions, but this method is so commonly employed by charlatans that we deem it more advisable to refer to the numerous persons who daily make use of the AYA PANA BITTERS.

These instruments are manufactured and imported expressly for this market, and are acknowledged in Europe to be superior to all others.

Amateurs are invited to call and judge for themselves of the excellence of the above Pianos. Mr. F. attends personally to repairs and tuning, and the terms are therefore moderate.
