OFFICE OF THE BOARD OF PUBLIC WORKS, New-Orleans, May 31st, 1841.

THE undersigned is authorised and prepared to contract for the cutting of a channel through the Rapids of Red River, above the town of Natchitoches, by which a boat can be done in accordance with a plan and estimate made by the late T. Dunbar, Esq. Civil Engineer, of the State of Louisiana, and also with an appropriation made for that purpose by the Legislature of the State—all of which can be seen at the office of the Board in the city of New-Orleans, on application to the undersigned, or to Mr. Romans, Secretary, No. 26 Old Levee street.

The person or persons contracting to do this work will be required to give a bond with good and sufficient security in a sum of at least the full amount of the contract, or to stipulate that one third of the value of the work as it progresses be retained by the Board, to secure the faithful execution of the contract. It is confidently believed that highly advantageous terms can be offered to such persons as may be disposed to enter into the contract for the work, if a longer time be proposed to be done.

THOS. W. CHINN, President of the Board of Public Works.

☞ The Red River Whig, at Alexandria, will please publish the above twice a week for two months, and forward his bill to R. Romans, Secretary of the Board of Public Works. m13
