LOUIS BODELON, Auditor.

PRICE STANTON,
BY JOSEPH WALKER,
*Governor of the State of Louisiana.*

WHEREAS, A vacancy has occurred in the House of Representatives of the Congress of the United States, by the resignation of the Hon. Charles M Conrad, of the Second Congressional District in the State of Louisiana. I therefore do ordain and proclaim that an election be held in the said Congressional District on the fifth Monday of September next, 1850, at the usual places of holding elections, in conformity to existing laws, for a Representative in Congress, to fill said vacancy, and serve for the unexpired term for which said member was elected.

Now, therefore, I have thought proper to issue this my proclamation, notifying the electors and qualified voters, in said District and commanding the Sheriffs, Commissioners of Elections, and all other officers therein concerned, to hold the said election on the said fifth Monday of September next, for Representative as aforesaid. The elections to be conducted and returns thereof made in all respects according to the provisions of the Constitution and laws, in such cases made and provided.

Given under my hand and the seal of the State at the town of Baton Rouge, this 23d day of August A. D. 1850, and of the Independence of the United States the seventh fifty.

By the Governor: JOSEPH WALKER.
CHARLES GAYARRE, Secretary of State. x2

HEAD QUARTERS.

STATE OF LOUISIANA.
EXECUTIVE OFFICE.
**Proclamation.**

WHEREAS, by resolutions, with an Act of the Legislature of the State of Louisiana, approved 14th March 1846 entitled "An Act to authorize the Governor to cancel mortgages and other encumbrances on certain claims" Louis Pavaud, to secure the bond of commissioner and execution of the duties of the Public Land Office at Baton Rouge, did mortgage and hypothecate in favor of the Governor of the State, a certain tract of land situated in the Parish of West Baton Rouge, consisting of the same in the bond and dollars, the amount of security which the law said Louis Pavaud was called to give, and which act was accepted by Edward D. White, then Governor of the State of Louisiana, as appears by an act passed at the city of New Orleans, before Theodore Pilgrim, Notary Public on the 20th day of August, 1846, and now recorded in the Recorder's office of West Baton Rouge.

And whereas, said Louis Pavaud has applied to me for the cancelling of the above recited mortgage.

Notice is therefore given to all persons interested to show cause, in writing, at the office of the Secretary of State within ninety days from and after the first publication of this notice, why said mortgage should not be cancelled and annulled.

Given under my hand and the seal of the State at Baton Rouge, on the eighth day of July, in the year of our Lord one thousand eight hundred and fifty, and of the Independence of the United States the seventy fifth.

By the Governor: JOSEPH WALKER.
CHARLES GAYARRE, Secretary of State.

**Mayoralty of New Orleans.**
CITY HALL, 19th September, 1850.

COUNCIL OF MUNICIPALITY, No. 1.
Extra sitting of Tuesday, 19th September 1850.

RESOLVED, That the Mayor be, and he is hereby authorized and invited to advertise during twenty days in the official paper of the Municipality, on the D. L. Pavaine and Bee of the North American Newspapers, that he will adjudicate to the lowest bidder, the contract for the paving with square blocks, of the public road, from Customhouse to Esplanade street—Chartres street, from Canal to Jefferson street; Conde street, from Madison to Esplanade street, and Royal street, from Canal to Esplanade street. Said work to be done according to specifications in the Surveyor's Office, and to be paid for in cash.

(Signed) JH. GENOIS, Recorder.
Approved, 25th July, 1850.
(Signed) A. D. CROSSMAN, Mayor.
A true copy. H. BIER, Clerk.

Specifications concerning the square block paving of the Public Road, from Customhouse to Esplanade street; of Chartres street, from Canal to Jefferson street; of Conde street, from Madison to Esplanade street; and of Royal street, from Canal to Esplanade street:

*Quality and Dimensions of the Materials.*

The square blocks shall be of granite of the best quality, hewed and dressed, on the top and sides, measuring not less than 10 by 10 inches square, and not more than 10 by 10 inches square, and 10 inches thick. The curb stones shall be of granite of the best quality, hewed and dressed, with the upper edge level in such a manner as to correspond with the grade of the bricking of the side walks. The curb stones shall be from 16 to 20 inches in width, not less than four feet long and four inches thick. The gutter stones for the bottom of the bridges shall be of granite, hewed and dressed. They shall be 12 inches in width, not less than three feet long, and four inches thick. The shells shall be sound and clean (lake shells). The sand shall be either Lake or Mississippi sand, pure and of large grain.

*Manner in which the Work shall be done.*

The curb stones shall have an inclination to each the side walks of 1½ inches for each foot in breadth, and shall run by the ends. As soon as the old paving shall have been removed from a square, the Contractor shall have the round picked and the street graded on a neatly curve, he shall then cover the same with a layer of gravel or lake shells and sharp sand, which shall be well compressed with the roller, and shall begin to lay the paving in the following manner:

The square blocks shall be laid in regular courses, and shall perfectly well point one another from top to bottom; the joints shall be filled up with sharp sand, and the paving shall be well compressed with the roller. Said paving shall when completed present an even and perfect surface, otherwise it shall be rejected by the Surveyor. The sides of the bridges at the intersections of all the streets, shall be laid with the wedge stones, of 12 inches in width, and 4 inches thick. The bottom shall be of hewed and dressed gutter stones, 4 inches thick. The whole shall be laid on the Public road of 12 inches thick and well compressed. The wings of the bridge shall be at least 5 feet long, and shall be made of hewed and dressed stone, from six to 12 inches wide, and four inches thick. The top of the bridge shall be of iron, and shall be furnished by the Municipality.

All the materials shall be furnished by the Contractor.

The old round stone paving, the old curb and gutter stones which shall be taken up in the Contractor, and the surplus of earth picked out from the streets, shall be the property of Municipality No. 1, by which shall remove the same.

All the bricks, bought, made, &c., shall be given by the Surveyor, who shall superintend the execution of said paving, agreeably to the foregoing specifications.

The work shall be adjudicated in four sections as follows, viz:

Sec. 1. The Public Road from Customhouse to St. Ann street.

Sec. 2. The Public Road from St. Ann to Bienville street.

Sec. 3. Chartres street from Canal to Jefferson street, and Conde street from Madison to Esplanade street.

Sec. 4. Royal street from Canal to Esplanade street.

The contractors for the 1st and 2nd sections, shall find themselves to have the work begun on or before the 1st of January 1851, and to have the same completed, on or before the 31st of December, 1851. The contractors for the 3d and 4th sections, shall find themselves to have the work begun on the 1st of January 1852, and to have the same completed on or before the 31st of December, 1852, and in default by them so doing, the contract shall have the right to deduct the contract price, pro rata, and work without any application to the court of justice, and shall have the work done at the risk and expense of the contractor.

In case the contract any of the sections shall not be completed in the time above specified, the contractor shall pay a fine of $500 per day for each and every day after the time above allowed.

The sections shall find the ability to keep the paving in good order for two years after the completion of each section.

Each of the contractors shall furnish good and sufficient security to the amount of $20,000.

*Payments as follows:*

The proportion paid by the Municipality shall be paid each after the completion of every three square and on the presentation of the certificate of the Surveyor, stating that the work has been done according to the foregoing specifications and has been passed by him and the proportion due to the Municipality, deducted for the work by the contractor.
