Jones, a new boat for Cincinnati, struck a snag on the 27th inst. at 3 o'clock, A. M., in the Bend at Island 82, and immediately sunk in deep water. Her hull broke in two amidships, the cabin floated off from the hull, a deaf. broke in two; one half of which landed at the town of Luna, and the other part at Point Chicot. The deck passengers over 100 in number, were drowned, also the deck hands and firemen, with the exception of two. All the cabin passengers and officers were saved.
