MAYORALTY OF NEW ORLEANS.
GENERAL COUNCIL.
Sitting of Wednesday, 17th March, 1848.

AN ORDINANCE to prohibit the running at large of Dogs of the Dog kind within the limits of the City of New Orleans.

Art. 1. Be it ordained by the General Council of the City of New Orleans, That from and after the 1st day of May, 1848, no animal of the Dog kind shall be allowed to run at large within the limits of the Municipalities of said City, Unless such animal shall have around his or her neck, a collar with a metal plate on which shall be engraved the name of the owner of such animal, and shall also have a good and sufficient muzzle on, or, in default thereof, such animal to be effectually prevented from biting or scratching. Any such animal found running at large in contravention to this article, shall be killed by any person or persons in the City, and any Dog or slut found in contravention, shall be destroyed as hereinafter provided.

Art. 2. Be it further ordained, That from and after the 1st day of May to the first day of November in each and every year, every person or persons having in his, her, or their possession a rabid animal of the Dog kind, found running at large, in contravention to the foregoing article, and such person shall be required to pay the sum of one dollar for each and every animal of the Dog kind so killed, and bounty to be paid to such, by the Municipalities on the warrant of the Surveyor.

Art. 3. Be it further ordained, That it shall be and is hereby made the duty of the Commissaires of Police of the said Municipalities, to cause all animals so killed to be removed and buried in some remote part in the rear of said Municipalities, and any Commissary refusing or neglecting so to do shall be indicted by the Mayor.

Art. 4. Be it further ordained, That any person or persons offending with or receiving any free person from killing and destroying any animal of the Dog kind, found in contravention to this Ordinance, shall, on conviction thereof, be fined, any competent Tribunal, in a sum not exceeding fifty dollars, to the benefit of the City Hospital.

Art. 5. Be it further ordained, That any person or persons who shall kill or destroy any animal of the Dog kind, not in contravention to the provisions of this ordinance, shall be fined in a sum not exceeding one hundred dollars, recoverable before any competent Tribunal, for the benefit of the owner of such animal.

Art. 6. Be it further ordained, That the Printer of the General Council, shall print and deliver to the Mayor, Aldermen and Assistants, a sufficient number of copies of this Ordinance, in French and English, to be placed in the most populous streets of this City.

Art. 7. Be it further ordained, That the Ordinance relative to Dogs approved 19th of January, 1847, and all ordinances or parts of ordinances contrary to the provisions of this Ordinance be, and the same are hereby repealed.

(Signed) H. W. PALFREY, President.

MISCELLANEOUS.

DR. TOWNSEND'S SARSAPARILLA
THE MOST EXTRAORDINARY MEDICINE
IN THE WORLD!

THIS extract is put up in quart bottles, $1 a bottle, is clear, pleasant, and unrivaled superior to any sold. Requires distance without vexatious parade, or hindering or debilitating the patient.

Great Spring and Summer Medicine.

The great family and summer medicine of this Sarsaparilla over all other medicine, is, whilst it eradicates disease, it invigorates the body. It is one of the very best spring and summer medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new pure and rich blood; a power possessed by no other medicine. And in this lies the great secret of its wonderful success. It has performed within the past two years more than 33,000 cures of severe cases of disease; at least 500 of these were considered incurable. More than

2,000 cases of Chronic Rheumatism;
4,000 cases of Dyspepsia;
400 cases of General Debility and want of Appetite;
7,000 cases of Scrofula, Scrofulous Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of disease of the Kidneys and Dropsy;
3,000 cases of Consumption:

And thousands of cases of diseases of the blood, Ulcers, Erysipelas, Salt Rheum, Pimples on the face &c. &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians and our agents in all parts of the United States, informing us of the astonishing effects of Dr. Townsend's Sarsaparilla, one of the most respectable druggists in New Ark, N. J., Washington, D. C., Philadelphia, Pa., and Baltimore, Md., informed us that he can refer to more than 150 cases in his place alone. There are thousands of cases in the city of New York, which we will refer to with pleasure, and to men of character. It is the great medicine for the preservation of health, known, it undoubtedly saved the lives of more than 5,000 children the past season, as it removed the cause of disease, and prevented them for the summer season.

United States officer, Capt. G. W. McLean, of the U. S. Navy and Member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 26, 1847.

A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the use of Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McLEAN, late U. S. N.

John Jackson Esqr., Editor of the Rahway Republican, published the above certificate, and remarks in editorial, as follows:—

☞ The success of Dr. Townsend's preparation of Sarsaparilla, appears to be of the most extraordinary character. We publish to-day two certificates in its behalf, one from Capt. McLean, of this town, and one from the Rev. Mr. White, of Staten Island, a gentleman well known in Rahway. Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent men like these would not praise so strongly what they did not fully believe to deserve it.

Scrofula Cured.

This certificate was handed in to Dr. Townsend's office a week back, and contains a proof that his Sarsaparilla has a perfect control over the most obstinate diseases of the blood. Three persons cured in one house, is unprecedented.

Three Children.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores, have taken only four bottles, it took them away, for which I tender you my best thanks.

Yours respectfully,
ISAAC W. CRAIN, 185 Wall st.

Great Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and specific cure for incipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharges therefrom, and for the general prostration of the system—no matter whether the result of injurious exertion or causes, produced by irregularity, intemperance or accident.

☞ Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and inanimate, from taking it, at once become robust and full of energy under its influence. It completely counteracts the weariness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of them have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine have been blessed with healthy offspring.

Dr. Townsend:—My wife being greatly distressed, by weakness and general debility, and suffering contingually by pain and a sensation of bearing down of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also bearing of recommend, I tried it in cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it restored her constitute and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it. RESPECTFULLY, M. H. MOORE,
Corner of Grand and Lydia sts.

To Mothers and Married Ladies.

The Extract of Sarsaparilla has been expressly prepared in reference to female complaints. It is a most valuable medicine in those cases where that critical period, "The turn of life" should neglect to take it, as it is a certain preventative for all the diseases incident to that period, which females are subject at this time of life. This period only is delayed for several years by using this medicine. Not it is then valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the body. This medicine is invaluable for all cases of the delicate diseases to which women are subject.

It traces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a temporary relaxation, which is the case with medicines taken for female weakness and disease.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physicians in different parts of the Union.

They write to certify that we, the undersigned, Physicians of the City of Albany, have frequently prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

The following is from one of the most respectable physicians of Long Island:

Greenport, July 10, 1846.

Dr. Townsend—Dear Sir—It is with satisfaction that I say to you that I have recently witnessed, in several cases, the most beneficial results from the use of your Extract of Sarsaparilla. Being engaged in the practice of medicine, I have prescribed it in cases where I never expected to see any good, in removal of diseases arising from a deranged state of the digestive organs, jaundice, &c., it far exceeds any thing I have ever before seen recommended. You will please send me two dozen, &c., &c.

Respectfully yours, C. T. PRESTON, M. D.

Dispepsia Cured.

No doubt or moderate has ever been discovered which so nearly resembles the gastric juice of nature, in promoting food and strengthening the system of digestion, as the preparation of Sarsaparilla. It positively cures every case of dyspepsia, however severe and chronic. If any doubt this, we invite them to read the following indisputable testimony of gentlemen of the highest respectability. If these are not entirely satisfactory, it would be impossible to give other reference to some of the first families in the city, who have used it with perfect success in this and other distressing diseases.

NEW YORK DEPARTMENT, ALBANY, May 10, 1845.

Dr. Townsend—Sir—I have been afflicted for several years with dyspepsia, in its worst form, attended with sourness of stomach, loss of appetite, extreme tenderness, and a great aversion to all kinds of food, and I could not relish any food, and I have been unable to retain but a small portion in my stomach. I tried the usual remedies, but they had no effect, and I was reduced to a skeleton. I was advised, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence, but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would cheerfully recommend the use of it to those who have suffered as I have been.

W. W. VAN ZANDT.

Piles, Piles, Piles.

Dr. Townsend's Sarsaparilla is by far successful in curing this distressing complaint, than for diseases of the Blood, Dyspepsia, Rheumatism, and Nervous Debility. Read the following:—

99, Fourth street, New York, March 1, 1847.

Dr. Townsend—Dear Sir—The effects of your Sarsaparilla are truly wonderful. For the last six or eight years past, I have been subjected to severe attacks of the Piles, during which I have suffered all the agonies of that complaint, and had despaired of ever finding relief except in death. I have the pleasure to inform you that I have yet been free from the complaint since using two bottles of your Sarsaparilla, and feel no remains of my old complaint. I send you this for publication, and any person you may refer to me, I will be happy to inform them of what I have received at your hands. Yours, truly,

JOHN HALL, 49 Fulton st.

Rheumatism.

This Sarsaparilla is used with the most perfect success in Rhematic complaint, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Dr. Townsend:—I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches; and much of the time I was obliged to keep my bed. I tried several remedies, but the pain did not relieve me, and I was as well now as ever.

☞ Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:—

Dr. Townsend:—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a chronic rheumatic pain to which I am subject, from a injury accasioned several years ago in a public stage. Please send me ten bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla. SETH TERRY
