B. ANTOGNINI, Manufacturer of Billiard Tables, &c. No. 12 and 14 Conti Street, Between Chartres and Levee Streets.

BEGS leave to inform amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of a new kind, and superior to all those which have heretofore been in use, whether manufactured in France or the North or West of the United States.

The repairs which he is every day called upon to make to Billiard Tables coming from those countries have enabled him to ascertain the kind of construction which is best suited to resist the temperature of damp climates.

The table and bands of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of these parts.

Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.

The bands are made of Patent India Rubber, invented by him, and far superior to the French caoutchouc now used in different manufactories: these India Rubber sides have been used by him since 1842, and have always given great satisfaction.

Gentlemen may satisfy themselves by visiting his establishment, where they will always find mounted Billiard Tables, ready for playing and they will be convinced that the balls do not jump.

EVERY BILLIARD TABLE BOUGHT FROM HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.

He has constantly on hand a great variety of New and Second-Hand Billiard Tables. Also—BALLS and PINS, for Ten-pin Alleys, complete Loto Setts, &c. &c. Also—EIGHT LEG BILLIARDS.

Persons unable to come to New Orleans and who may desire to procure any of the above named articles, have only to communicate their orders to B. ANTOGNINI, who will execute them satisfactorily.

B. Antognini has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of Billiard Cloth, he has on hand a large quantity of that cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price.

Bordeaux and Marseilles Wines.
