Crockery Manufactory.

THE Crockery factory at Mandeville has just been completed, and is now prepared to execute and deliver at very moderate prices all commissions which the public may entrust to the proprietors.

In consequence of a clay of superior quality, a collection of the most skillful workmen in Louisiana, and the extreme care and attention bestowed upon all the details of the establishment, the products of the factory at Mandeville surpass in every respect those of other establishments—as well in the fineness of the grain, the solidity and strength of the paste, and the beauty of the varnish; they are particularly remarkable for the elegance and taste of the patterns—a merit hitherto too often overlooked in this department of industry.

The directors of the establishment are prepared to fill the most extensive and varied orders. To gardeners and horticulturists they offer every variety of flower pots, and some of a quality hitherto unknown, together with vases of antique form, Italian do., and the most select and beautiful patterns. To families they offer every species of culinary and household utensil—all resisting the action of fire. Finally, to architects they tender a large collection of articles necessary for building and ornament, such as slabs, enamelled squares, porcelain lamps for drawing rooms, centre tables, &c. &c. &c.

2. Seven thousand dollars, which the purchaser may either pay in cash or prolong the payment from year to year until the 1st June, 1852, on the yearly payment of an interest at the rate of 8 per cent per annum from the date of the adjudication.

3. Seven thousand dollars due to Pierre d'Argot, on an hypothecary obligation consented by an act passed before Octave Rousseau, the parish Judge of the Parish of St. Bernard, on the 20th June, 1845, which obligation, though due on the 12th June, 1846, may be renewed up to the 12th June, 1850, on the annual payment of an interest at the rate of 8 per cent per annum, from 12th June, 1847, up to which time the said interest has been paid. ... ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABITS OF THE SYSTEM, VIZ:

Scrofula, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring-Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica or Lumbago, and Diseases arising from an injudicious use of Mercury, Dropsy, Exposure or Imprudence of Life. Also, Chronic Constitutional Disorders.

The value of this preparation is now widely known, and every day the field of its usefulness is extending. Approved and highly recommended by Physicians, it is admitted to be the most powerful and searching preparation from the root that has ever been employed in medical practice. It is put up in a highly concentrated form for convenience and portability, and when diluted, according to the directions, each bottle will make six times the quantity, equal to one quart, and is then superior in medicinal value to the various preparations bearing the name. The proprietors are almost daily receiving testimonials of the most respectable character, testifying to its great value as an active and curative medicine.

The following certificate is from a highly respectable source:

ELIZABETHTOWN, N. J., May 12th, 1847.

A. B. & D. Sands: Gentlemen—Having been cured of a severe scrofulous disease by the use of your celebrated and to me invaluable Sarsaparilla, I feel it my duty to testify to the means which restored me to health, after other remedies failed. The disease first appeared in small pimples or blisters, which was attended with violent itching and burning; these spreading, covered the body, and uniting together, formed large scales and scurf—from which issued water, making the distress so great as to deprive me of all natural rest. My general health rapidly failed, and I was obliged to abandon my business. I was treated by various Physicians and tried different remedies without receiving any permanent benefit. I then went into the New York Hospital, and remained for fourteen weeks under treatment, which produced temporary relief. After leaving the Hospital the disease returned in a few days, and, when given up by my friends and despairing of relief from any source, I heard of your Sarsaparilla, and immediately resolved on giving it a trial. The first bottle relieved me of all the distressing symptoms and did me more good than all the medicine I had taken for years before. A continuation of your Sarsaparilla, in combination with your SALT RHEUM REMEDY applied externally, effectually removed the disease, restored me to health, and I am now able to attend to my business.

Yours sincerely,

FREDERICK DICKEL, Cabinet Maker.
