MEDICAL.

[illegible] SARSAPARILLA

[illegible]

Complaints, Loss of Appetite, General Debility, &c.

In this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded with other vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation that its remarkable success in the cure of disease depends. Its acts simultaneously upon the stomach, the circulation and the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this one remedial agent which gently stimulates while it disinfects and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name of Sarsaparilla, and in that their resemblance ends, being often prepared from worthless and inert roots, and of course possess no healing or curative properties, and patients in making choice of which they use, and perhaps would take no other, but that one entitled to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

Astonishing Cure.

PATTERSON, N. Y., 20th, 1851.

Messrs. A. B. & D. SANDS: Gentlemen—Having witnessed the most beneficial effect from the use of your Sarsaparilla, it gives me pleasure to send you the following statement in regard to my son. In the spring of 1848 he took a severe cold, and after eight weeks of severe suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The swelling was lanced by his physician, and discharged most profusely; after that no less than eleven ulcers formed on the leg and foot at one time.—We had five different Physicians, but none relieved him much; and the last winter found him so emaciated and low that he was unable to leave his bed, suffering the most excruciating pain. During this time the bone had become so much affected that piece after piece came out, of which he has now more than twenty-five preserved in a bottle, varying from one half to one and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your Sarsaparilla, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.

With gratitude, I remain truly yours,
DARIUS BALLARD.

We, the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the facts of the above statement.

PROFESSOR O. J. WOOD'S

UNEQUALLED HAIR RESTORATIVE!

Old Ladies and Gentlemen Made Young!

The Greatest Event of 1854!

NOTHING has occurred since the foundation of this city that has caused so great a sensation as the opening of PROFESSOR O. J. WOOD'S HAIR RESTORATIVE DEPOT at J. WRIGHT & CO'S, where all can be supplied at short notice. Call one, call all, before it is too late. Any information required can be had.

It will give the bald-headed youthful looks, turn gray hair to its natural color, and removes all dandruff and disagreeable matter from the scalp. It also invigorates the Hair, and makes it soft and glossy, as the ingredients act upon the roots of the same. It has been tested by scientific, as well as by men who stand high in the public esteem, and has been found satisfactory.

Over 5000 Bottles have been Sold within the last three months, in the city of St. Louis and vicinity, alone, and over TWICE THAT NUMBER in the States of Ohio, Kentucky, Indiana, and Illinois. Of the immense number of letters and certificates which are voluntarily sent every day to the Proprietor, he would select a few, and present them here to the public's attention.

ST LOUIS, Sept. 20, 1853.

DR. O. J. WOOD—Sir: I have used nearly two bottles of your Hair Restorative, and have found its effects very satisfactory. It has entirely destroyed all dandruff from my head, and restored my hair to its original color, and which had become quite gray.

WILLIAM TRUESDALE.

SAINT LOUIS, Oct. 24, 1853.

PROF. O. J. WOOD—Dear Sir: At your request, I willingly give you a statement of the effects of your Hair Restorative upon my hair. I commenced its use when my hair was quite gray, and I soon began to notice effect in restoring the natural fluid to it; it immediately began to change to its native color, until it entirely recovered, and from carefully watching its effects I am satisfied that it is not only entirely harmless, but that if faithfully applied according to directions, no lady will be disappointed. I therefore cheerfully recommend it to my friends and all who have use for such an article.

Respectfully, Yours, MRS. E. BEARDSLEY.

ST. LOUIS, Sept. 29, 1853.

PROF. WOOD—Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try its—discovering, to my great astonishment, that my friend's hair, which when I last saw him before, was very gray, had become completely restored to its original color, having as fine and glossy an appearance as it had when I saw him twenty years ago.

I commenced using the Restorative about five weeks ago, and am perfectly convinced that it will produce the desired effect, it having restored the color of my hair, before which it was white, or to precisely the same as it was twenty years ago, with the same healthy and glossy appearance. I have no hesitation in recommending it to my friends and the public generally, believing that, if used according to directions, they will not be disappointed.

Yours, very respectfully, N. B. HOLMAN.

IT IS A FACT, established beyond the shadow of doubt, by the experience and testimony of the most eminent physicians, more than three-fourths of the diseases with which children are afflicted are caused by Worms, and very many adults die annually from those diseases, whose true nature is either not known or attributed to some other cause. Various are the preparations which have been recommended for the cure of Worms, but experience has proved them all more or less ineffectual; the chief reason for which appears to have been that, though they are designed for children, they are given in doses too large and a remedy known by the testimony of the most eminent physicians and supported by the testimony of the most eminent physicians is a remedy ...

WINER'S CANADIAN VERMIFUGE,

WARRANTED PURELY VEGETABLE.

[illegible] The symptoms which indicate the existence of the Worms in the bowels are as follows: The countenance is pale, leaden colored, and heavy, with occasional flushes; the eyes are heavy and dull, the breath fetid, the upper lips swollen, itching in the nostrils, which causes the patient to pick the nose; the sleep is disturbed, the patient often awakening in great fright, and is liable to starting and grinding his teeth; the appetite exceedingly irregular, being sometimes voracious, at others feeble and in some instances quite depraved.

To the following certificates numerous might be added, but it is believed that these are sufficient to establish the fact that WINER'S CANADIAN VERMIFUGE IS A SUPERIOR REMEDY FOR WORMS.

Medical Evidence.

We, the undersigned, having frequently administered a medicine prepared by Mr. John Winer, of this town, designated J. WINER'S CANADIAN VERMIFUGE, and being fully satisfied with its efficacy, confidently recommend it as a safe and efficient remedy for the expulsion of Worms from the intestinal canal.

G. O'REILLY,
Lieutenant of the R. C. of Surgeons in Ireland, etc.
G. W. DICKINSON,
Member of the R. C. of Surgeons, London, etc.

FROM THE REV. J. FLANAGAN OF BANBROCK C. W.

J. Winer—Sir: I have made the trial of your Canadian Vermifuge and with the most happy results. In my own family, and in every case which has come to my knowledge, the expulsion of Worms has followed the administering of your Vermifuge, and every one here prefer it to any other, as its effects are certain, and children take it more readily, which is a great point gained in giving medicine to children.

July 16, 1845. JOHN FLANAGAN.

☞ Physicians generally use WINER'S CANADIAN VERMIFUGE. This medicine is a simple vegetable preparation, and can always be administered with perfect safety and confidence as to the result, as it will always destroy Worms and restore the patient to health. Over one thousand certificates have been sent to the Agents from planters, physicians, and merchants, bearing testimony to the efficacy of this infallible remedy.—Warranted in all cases.

Holloway's Pills for Cure of Bile, Sick Headache, and Bowel Complaints.—Mr. John Anderson, general merchant, of Ballymoney, county Antrim, has written to Professor Holloway the following statement of a cure by the use of his Pills:—"Rose M'Clure, residing at Balnagashal, Ballymoney, was afflicted for five months with headache, sickness, and violent pains in the stomach and bowels. She had advice from several skillful surgeons in Coleraine, Ballymoney, and other places, but they could give her no relief whatever. At length she was recommended to try Holloway's Pills, and after using them for a short period, these invaluable medicines restored her to perfect health, and enabled her to resume her daily labor."

MEDICAL.

[illegible] **INVIGORATING CORDIAL** [illegible]

[illegible]

Dr. Morse's Invigorating Elixir or Cordial.

A T FIRST the properties attributed to [illegible] Morse's Invigorating [illegible] could not believe the [illegible] discovered by the discoverer [illegible] facts, attested by witnesses [illegible] and character, are now [illegible] testimony which is [illegible].

[illegible] cases, the deplorable [illegible] or abuse of the various organs [illegible] vigor every delicate function [illegible] mysterious compound agency of [illegible] necessary to the re-production of [illegible] To persons of feeble muscular frame, or deficient in vital power, it is [illegible] only means of communicating [illegible] which is necessary to the proper enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or to any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility, or from the weakness of a single organ, will find immediate and permanent relief from the use of this incomparable renovator. To those who have predisposition to paralysis, it will prove a complete and unfailing safeguard against that terrible malady. There are many, perhaps, who have so trifled with their constitutions, that they think themselves beyond the reach of medicine. Let not even these despair. The Elixir deals with diseases as it exists, without reference to causes, and will not only remove the disorder itself, but

REBUILD THE BROKEN CONSTITUTION.

The derangement of the system, leading to nervous diseases, and the forms of nervous disease itself, are so numerous, that it would require a column to enumerate the maladies for which this preparation is a specific. A few, however, may be enumerated, viz:—neuralgia, tic doloreaux, headache, incipient paralysis, hysteria, palpitation of the heart, spinal affections, muscular debility, tremors, flatulence, a pricking sensation in the flesh, numbness, mental depression, weakness of the will, indisposition to move, faintness after exercise, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking at the stomach, female irregularities, a chronic tendency to miscarriage, emaciation, and all complaints growing out of a free indulgence of the passions, and all barrenness that does not proceed from organic causes, beyond the reach of medicine.

Whenever the organs to be acted upon are free from malformation or strictural diseases, it is averred that

MORSE'S INVIGORATING ELIXIR

will replace weakness with strength, incapacity with efficiency, irregularity with uniform and natural activity, and this not only without hazard or reaction, but with a happy effect on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the paralization of the nerves of motion and sensation is physical death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate, and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak by nature, or impaired by sickness—the unstrung and relaxed organization is at once braced, re-vivified and built up. The mental and physical symptoms of nervous disease vanish together under its influence. Nor is the effect temporary, on the contrary the relief is permanent—for the Cordial properties of the medicine reach the constitution itself, and restore it to its normal condition.

LOSS OF MEMORY.

Confusion, giddiness, rush of blood to the head, melancholy, debility, histeria, wretchedness, thoughts of self-destruction, fear of insanity, dyspepsia, general prostration, irritability, nervousness, inability to sleep, diseases incident to females, decay of the propagating functions, hysteria, monomania, vague terrors, palpitation of the heart, impotency, constipation, &c., from whatever cause arising. It is, if there is any reliance to be placed on human testimony, absolutely infallible.

A GREAT MEDICINE FOR FEMALES.

The unparalleled effects of this great restorative, in all complaints incident to females, mark a new era in the annals of medicine. Thousands of stimulants have been invented—thousand of invigorants concocted—all purporting to be specified in the various diseases and derangements, to which the delicate formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common to both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough regenerator of the system. In all directions are to be found the happy parents of healthy offspring, who would not have been so but for this extraordinary preparation. And it is equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit them.

PERSONS OF PALE COMPLEXION,

or consumptive habits, are restored by the use of a bottle or two to bloom and vigor, changing the skin from a pale, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of the sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the fearful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced. All thus afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisite to promote connubial happiness, indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens the view; the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.

In future all the genuine Cordial will have the proprietor's fac-simile pasted over the cork of each bottle, and the following words blown in the glass:

DR. MORSE'S INVIGORATING CORDIAL,

C. H. RING, Proprietor, New York.

☞ The Cordial is put up, highly concentrated, in pint bottles—price $3 per bottle, two $5, six for $12.

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

☞ We invite the attention of the Public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of CHERRY PECTORAL, do not wantonly trifle with, or distort facts, nor overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the everywhere prevailing enemy which steals with fatal frequency upon almost every flock and carries off the lamb from many a home!

Jackson, C. H., Jackson City, O., 20th Nov., 1852.

DR. J. C. AYER.

Sir—The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, three of them in their own case, and always with the happiest effects. The numerous patent medicines always before them, lead to incredulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that anything like a general confidence can be excited.

The unrivalled excellence of this combination of agents, (in the CHERRY PECTORAL) proved beyond cavil by repeated trial under their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself,

Respectfully your ob't serv't,
JAS. H. C. MILLER, M. D.
Allegan, Mich., 10th January, 1853.

Dear Sir—No one, *no not one*—man, woman, or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity although not known until recently. The community should know its virtues.

Yours truly,
JOHN R. KELLOGG, M. D.

9th. It counteracts Nervousness and Despondency.
10th. It restores Irregularities.
11th. It dispels gloomy and hysterical Feelings.
12th. It's an admirable Tonic.

A few short Extracts from Letters, Testimonials, &c.

"I have used Jacob's Cordial in my family, and have found it most efficient, and in my judgment, a valuable remedy." HON. HIRAM WARNER, Judge of Supreme Court, Ga.

"It gives me pleasure in being able to recommend Jacob's Cordial—my own personal experience, and the experience of my neighbors and friends around me, is a sufficient guarantee for me to believe it to be all that it purports to be, viz: a Sovereign Remedy." WM. H. UNDERWOOD, Formerly Judge of Superior Court, Cherokee Circ't.

"I take great pleasure in recommending this invaluable medicine to all afflicted with bowel diseases, for which I believe it to be a sovereign remedy—decidedly superior to anything else ever tried by me." A. A. GAULDING, Deputy G. M. of the Grand Lodge of Georgia.

"I have used 'Jacob's Cordial' in my family, and this, with all I hear about it as a remedy by those who have tried it, induces me to believe that it stands at the head of every preparation of the kind, and I would recommend its use in the diseases for which it is compounded." MILES G. DOBBINS, Cashier of the Bank of the State of Georgia, Griffin.

"If there is any credibility in human testimony, 'Jacob's Cordial' must stand pre-eminent above all other preparations for the cure of Bowel Diseases. From the mass of testimony in its favor coming in from all quarters, it must be very far in advance, as a curative agent, of most if not all other 'patent' preparations." A. FLEMING, Cashier Marine and Fire Insurance Bank, Griffin.

"This efficient remedy is travelling into celebrity as fast as Bonaparte pushed his columns into Russia, and gaining commendation wherever used."—*Georgia Jeffersonian, May 1st, 1853.*

COLLEGE.

St. Ann Street, facing the Place d'Armes, Old "Congo" Square, under the direction of MR. JEOOU.

Master of Arts and Mathematical Sciences.

Encouraged by the kindness and patronage of several families of standing, I have determined to open a College, hoping to procure for their children the same advantages as those offered by Colleges in New Orleans, where a thorough education is received. For the purpose of obtaining the object for which this College is founded, I have secured the co-operation of the most competent Professors, who will superintend the course of instruction, in English and others in French; these two languages being indispensable. A good education should comprise the training of the heart as well as that of the mind; the Professors will, therefore, have a proper regard for both in their teachings, and each will be the constant object of their care.

Religion, the most essential part of education, will receive from them and myself, special attention.

The College, fronting the Public Square, (old "Congo" Square) possesses all the advantages of a healthy location, and parents are solicited to visit and examine it.

With a view to foster the emulation of the students, the study of each month will be crowned with a Literary Soiree, at which recitations in the several languages will take place, and the distribution of the several reports, which shall be made by the Professors.

In order to place, as much as possible, children of the same age, a Primary School is attached to the College, in a separate portion of the establishment.

PRIMARY SCHOOL—BRANCHES OF INSTRUCTION—Reading, Writing, Arithmetic, English, French, Geography, History of the United States.

Price of Tuition—Four Dollars.

COLLEGE—BRANCHES OF INSTRUCTION—Writing, Book-keeping, English, French, Greek, Latin, History, Geography, Physical and Natural Sciences and Mathematics. Such accomplishments as Music, Fencing, and Dancing will be taught if desired.

Price of Tuition—Five, Six, Seven, and Eight Dollars.

HOURS OF TUITION—From 8 o'clock in the morning to 3 in the afternoon.

EVENING CLASS—This class will be open from 7 to 9 o'clock. Young men will there be taught English, French, Writing, Arithmetic and Book-keeping, by the best masters.

Price—Four Dollars. mh13

BOURSIER'S INSTITUTION.

French School for young Ladies and Boys.

184, Toulouse, between Rampart and Burgundy.

MR. and MRS. BOURSIER, (lately from France) kindly acknowledge the patronage extended to them by parents and guardians during the past year, being the first of the institution. As the number of pupils are increasing, Mr. B. has engaged an English Teacher of reputed merit to teach the English classes, together with all the elementary and higher branches which are taught in the institution. The course of instruction embraces—Reading, Writing, Arithmetic, Geography, Bookkeeping, French, English and Spanish Grammars and Composition; Latin and Greek; Elements of Natural Philosophy; Natural History, Botany and Chemistry; Algebra, Geometry, Trigonometry, etc. Parents and Guardians, as well as pupils, are at liberty to designate the course of instruction required, which must be in progressive order, according to the capacity of the pupil.

MADAME BOURSIER will constantly superintend the female department, where those desiring it, can receive, in addition to the above, instruction in Needle work and Embroidery, lace on the present form. Dancing and other necessary accomplishments. And as the strictest attention is paid to good manners and morality, none but those who will submit to the rigid discipline of the Institution will be allowed or accepted in the classes.

A spacious dwelling and its appurtenances, well ventilated and calculated for day scholars and some boarders afford many peculiar advantages in respect to comfort, location and salubrity.

School hours for classes, from 8 A. M. to 3 P. M.

Terms—Boarders, including washing, $20 per month; Day Scholars, 4, 5, 6 dollars per month.

EVENING CLASSES.

There is an evening class in the above Institution in which is taught the French and English languages, writing, arithmetic, book-keeping, etc.

Hours—From 6½ to 9 P. M. Terms—Four dollars per month. dd

University of Louisiana.

ACADEMIC DEPARTMENT.

THE seventh annual session of this branch of the University has just commenced, and the Department is now open for the reception of pupils. A plan of study has been adopted equally favorable to those desiring to follow a full collegiate course, and those preparing for commercial and scientific pursuits. The corps of Professors has been increased the present season. The Scientific course, under the special care of the Professor of Mathematics, is modeled after that of the U. S. Military Academy, West Point, and l'Ecole Centrale des Arts et Manufactures at Paris. In the Department of Modern Languages, E. Roux, Professor of French; M. Kohlmeyer, Professor of German, and Senor de Tornos, Professor of Spanish and Italian, continue to give instructions as formerly. Prof. McHado, for fourteen years Principal in a classical and commercial institution in Kingston, Jamaica, has been specially engaged for the classical Department.

TERMS:

Boys over 12 years of age, $10 per month.

ST. LOUIS INSTITUTE.

CONDUCTED BY

Madame Deron,

Day and Boarding School for Young Ladies.

No. 313 Dauphin and 155 Hospital Street.

THE constantly increasing number of the pupils of the St. Louis Institute, has induced the conductress to purchase more spacious premises.

Mrs. Deron, is removing from St. Louis street to the fine and large buildings in Dauphin street, occupied lately by the Louisiana College, has selected a MORE SUITABLE site for a young ladies' Academy.

The play ground is planted with trees, and will be devoted exclusively to the pupils, the entrance being in Hospital street.

Mrs. Deron tenders her heartfelt thanks to the families who have honored her with their patronage and feels happy in being able to increase the comforts of their children.

The general educational departments, (the French and English languages,) are, as heretofore, under the direction of most competent Professors, who feel the deepest interest in the success of the St. Louis Institute.

With respect to the moral and religious part of education, good deportment and pleasing manners, nothing shall be wanting on the part of Mrs. Deron and the ladies who assist her.

The Musical Department, (the Piano, Harp, Solfeggio and Singing,) is, as heretofore, under the direction of Mrs. Lavillebeuvre and Mr. Brosard, assisted by Professors well known for their ability in that branch of the education of young ladies.

Monthly musical examinations will take place in order to arouse the emulation of the pupils and ascertain their progress.

For further particulars, see prospectus, which can be had at the Institute and principal book stores.

N. B.—An OMNIBUS is attached to the Institute for the special purpose of conveying and taking back the pupils who reside in the First District. nov1

B. ANTOGNINI,

Manufacturer of Billiard Tables, &c.,

No. 12 and 14 Conti Street, Between Chartres and Levee Streets,

BEGS leave to inform amateurs and proprietors of Billiards, that he is now ready to furnish them with Billiard Tables of a new kind, and superior to all those which have heretofore been in use, whether manufactured in France or the North or West of the United States.

The repairs which he is every day called upon to make to Billiard Tables coming from those countries have enabled him to ascertain the kind of construction which is best suited to resist the temperature of damp climates.

The table and bands of a Billiard being generally the parts which are most liable to deterioration, particular attention has been paid to the construction of these parts.

Every Billiard built by him has a Mahogany table, combined with Oak, Cherry and Hickory, thus warranting them from warping in any direction.

The bands are made of Patent India Rubber, invented by him, and are of a superior quality to the French rubber bands used in different manufactories: these India Rubber sides have been used by him since 1849, and have always given great satisfaction.

Gentlemen may satisfy themselves of the above by visiting his establishment, where they will always find an assortment of Billiard Tables, ready for playing and they will be convinced that the balls do not jump.

EVERY BILLIARD TABLE BUILT BY HIM IS WARRANTED FOR A NUMBER OF YEARS LIMITED BY THE PURCHASER.

He has constantly on hand a great variety of

New and Second-Hand Billiard Tables.

Also—BALLS and PINS, for Ten pin Alleys, complete Loto Setts, &c., &c. Also—

EIGHT LEG BILLIARDS.

☞ Persons unable to come to New Orleans, and who may desire to procure any of the above named articles, have only to communicate their orders to B. ANTOGNINI, who will execute them satisfactorily.

B. Antognini has also the honor to inform his friends and the public in general, that in consequence of an arrangement with one of the largest manufacturers of Elbœuf Cloth, he has on hand a large quantity of that cloth for Billiard Tables, which he is prepared to sell at an exceedingly low price.

The extension of his house, and the relations which he has established, and continues to establish, with the best manufactories of France and the U. States, enable him to sell all articles in his line at prices below the current rates. my12
