DR. ROBACK'S
Blood Purifier and Blood Pills.

DISEASE VANQUISHED
By Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXPERIMENT, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from the mountain herbs of Scandinavia, which acts directly upon the source of disease in the blood, and by restoring the corrupted fluids of life to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, indigestion, and other diseases, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weaknesses, pricking of the skin, symptomatic of paralysis, rheumatism, lumbago, tetter, ringworm, eruptions, tumors and debility, diarrhea, and all disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are eradicated by upon by this preparation. It is the MAXIMUM SOURE, or seeds of disease, what an alkali is to an acid; it neutralizes them with a sanative certainty, while, at the same time, it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond the ordinary span.

Read the following certificate of a cure of Rheumatism of seven years' standing, of a lady of 72 years, which confirming strongly, as proof of Holy Writ, the evidence which follows, and must forever banish all doubts respecting the virtues of Dr. Roback's Scandinavian Blood Purifier and Blood Pills:

CLERMONT CO., OHIO, Sept. 27th, 1856.

Dr. C. W. ROBACK—Dear Sir:—I feel it my duty to address you in the publicly improving cures made in the case of my wife, who has been afflicted with the Rheumatism in one of her knees for seven or eight years. We tried all kinds of medicine, but to little or no effect. At last it struck at through her system, so that she could not rest day or night; her pain was so severe at times that she had hard work to breathe; at last became entirely helpless, so that we had to dress and feed her like a child. We had one of our best physicians, who thought it of no use to make a bill of his there was no hope. It now was my earnest prayer that God in his wisdom would direct to some means that would restore her to health again. When it appeared, through an act of Providence in answer to my prayer, that a man, passing by, handed me one of your medical almanacs; and, on reading the wonderful cures made by your Scandinavian Blood Purifier and Blood Pills, I thought it must be the medicine that would cure my wife. So I sent by Mr. Thacker, our representative, the borrow of this, and got a bottle of Blood Purifier and one box of Pills; had, to our great joy, before she had taken it all, she was able to get up, and is now able to attend to her little affairs about the house, for which I feel thankful to God. She became 72 years old, and has the bloom of health on her cheek, all the effects of your medicine. May God grant you long life and success. Yours truly, JEREMIAH TOWAN.
