TESTIMONY FROM FRANCE & PRUSSIA

TO THE MERITS OF

SANDS' SARSAPARILLA,

The name of this preparation is not confined to the limits of our own country, but by its powerful agency in arresting and curing disease, has won its way successfully into fifteen other countries in Europe, as the following testimonial from a distinguished physician of the highest respectability shows in the most conclusive and satisfactory manner. The same happy success has attended its use in this city. When has always marked its course wherever adopted, and does so always, public testimony to its health restoring influence, which Medical Men, of profound skill and pre-eminent reputation, have borne in the presence of the vast multitude, has induced them to introduce this preparation into their own practice and to the continuation of such first recommendation and improves the other, and until the native of Sands' Sarsaparilla is known of a compound of the purest Medicinal Roots, which in character and properties from any other preparation, and unknown in its operation on the system when labouring under disease. Its approval by the medical profession, and its extensive sale, are proofs of its merits. Sarsaparilla, and like the other.
