VALUABLE SAWMILL and Batture to rent.—The undersigned having purchased the new and substantial saw mill with batture, lying immediately at the upper line of Faubourg Livaudais, will rent the said property on liberal terms and time, and will put the same in complete running order. The location of it is superior to any other: first, the paved street comes right up to it, and the railroad which will pass through faubourg Plaisance to join the Carrolton rail road, will facilitate the sending of timber to town at any season: next, the water, which is deep and no current to injure rafts, and the large space to keep them: there is also plenty of ground to establish a large wood yard; and as there is a considerable float this year and an immense quantity of timber got out which has and will still diminish in price, it therefore will be an object for an enterprising man Apply to JOHN M.
