BE WARE OF COUNTERFEITS!

WHEREAS I have lately understood that a certain individual is now preparing and now vending throughout the United States, an imitation of my celebrated Catholicon, pretending to possess the same virtues, and as it is presumed it will be for sale in the city of New Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rob of l'Affecteur, or Syrop de Cousinier, which contains *corrosive sublimate,* and calculated to do much mischief. I trust the unsuspecting will be on their guard against these frauds, and purchase of no other persons but F. P. DUCONGE and MORGAN & Co. who are my only authorized agents for New Orleans, and from whom the *Genuine Potter's Catholicon* can be had fresh from my factory at Philadelphia.
WM. POTTER,
Ninth street, Philadelphia.

POTTER'S CELEBRATED CATHOLICON,
Only $2 per Bottle.

☞ The component parts of this medicine are purely *Vegetable*—it is therefore one of the safest in the world!

A SOVEREIGN REMEDY

In diseases of the Liver, Ulcerated sore Throat, Debility resulting from Intemperance and Dissipation, Scrofula and King's Evil, old and inveterate Ulcers, pains in the Bones, Rheumatism, Dyspepsia, or indigestion, diseases of the Lungs, Syphilis, blotches on the Face and Skin, white swelling of the Joints, Tetter, Mercurial diseases, Piles, &c.

The certificates of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any news-paper.—The unrivalled and very extensive character which it has enjoyed, for the last six years, as a complete renovator, and *purifier* of the *blood* and *humors,* both in Hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and truck have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proofs of the value of Potter's genuine Catholicon:—its healing powers; its usefulness as a general restorer of health: the city of Philadelphia alone could furnish thousands of witnesses, to contradict the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alms House, and the Philadelphia and New York Penitentiaries, and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. *"These facts speak trumpet tongued"*—and *cannot be gainsaid.* It is much to be lamented that there are so many spurious mixtures manufactured in imitation of this invaluable medecine, some assuming to possess equal virtue, and vended under the same titles—some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to filch the public, have published for their benefit the very *certificates* which the proprietor of the *Genuine Catholicon* had obtained from those who were cured by his medicine, of various distressing diseases.

Thus has he been assailed in every form by Envy, Jealousy and Fraud; and thereby prevented extending the usefulness of this great and long wished for remedy.

Just received, direct from the manufactory of the proprietor, a fresh supply of the *Genuine Potter's Catholicon,* and for sale at the wholesale and retail Drug, Medical and Chimical Warehouses of M. MORGAN & Co.,
Canal street.
P. P. DUCONGE,
Corner of Chartres and Conti streets.

Where also may be had, Potter's "Treatises on the Catholicon," containing accounts of some of the remarkable cures performed by its use.

PRIVATE INSANE HOSPITAL & INFIRMARY.—Dr. HAMMOND respectfully informs the public, that having been advised by some of the most celebrated of the Medical faculty of this city, to open a private institution for the reception of Insane Patients at some eligible spot on this island, has selected that well known, high, airy and universally healthy spot, the HAMILTON SPRING PLACE.—It is delightfully situated on the east bank of the Hudson River, eight miles from the city, on the Bloomingdale road—commanding a fine view of the North River, sloops, steamboats, &c. as they pass and repass. There patients are furnished with every kind of exercise and amusement, such as riding, hunting, fishing, sailing, gardening, warm, cold, shower, fresh and salt water bathing. In consequence of opening this institution, Dr. H. has discontinued his old establishment in Massachusetts; consequently his whole attention is now paid to this. In this Infirmary, (which is entirely seperate from the Insane Hospital,) the following patients are received, viz: those that are laboring under chronic, nervous or cachectic diseases, males or females of intemperate habits, such as are unmanageable by parents or guardians; for patients of the latter description who have neglected their education, a private instructor is provided. Dr. H. is happy to state, from the success he has met with, (both in his old establishment and this) in restoring to health and reason patients of the above descriptions, he is induced to believe that patients are restored in much less time and in a greater degree, in this than in public Asylums, being well aware that the public have certain prejudices against both public and private hospitals, such as the propriety of [illegible] being harsh, ove[illegible] instances, cruel [illegible] in patients [illegible] do away such feeling, so far as to assure them he has leave to refer those who [illegible] concern, to the Rev. Samuel Eastman, No. [illegible] Bowery; Valentine Mott, M. D. professor of surgery in Rutgers' Medical College, Park [illegible] B. W. Bonney, esq. corner of Co[illegible] and Nassau streets, New York; and in Boston, to the Rev. Howard Malcomb and A. A. Dome, esq.
