Female Medicine.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhea, or Whites, obstructed or Difficult Menstruation, Pain in the Side or Limbs, Loss of Appetite, or any change thereof, and for the general prostration of the system—no matter whether the result of whatever cause, whether it be from Mercury, Dissipation, Idleness or accident. Nothing can be more surprising than its invigorating effects on the human frame—it imparts a new vigor to the whole frame, bringing it at once become robust and full of energy under its influence. It immediately counteracts the nervous sensations of the frame, which is the great cause of barrenness. It will not be expected that in cases of so delicate a nature, to exhibit certificates from individuals in full. But we assure the afflicted, that hundreds of cases have been reported to us. Several cases have been published in the Sun, which we refer to. After a few bottles of this invaluable medicine have been used, it will be truly offspring.

To Mothers and Married Ladies.
The Extract of Sarsaparilla has been expressly prepared to meet the female complaints. No female who has reason to suppose she is pregnant, or that critical period, "The turn of life," should be without it, as it will be found invaluable. In the numerous and horrible cases of miscarriage, which females are subject to at this time of life. This period is fraught with fearful results by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature in quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which the female is subject. It is hence the whole system from a permanently the cural from the effects of the impurities of the body—not so far stimulating the system as to produce a frequent relapse, which is the case of most medicines which are used for the same disease. By using a few bottles of this medicine the most painful surgical operations may be prevented.

Great Blessing to Mothers and Children.
It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attending the teething of infants. It invigorates and strengthens both the mother and the child, prevents pain and disease, increases and ranches the food, those who have used it in the last 10 months, it is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth, in pregnancy, heartburn, vomiting, pain in the back and joints, false pains, hemorrhage, and in regulating the system generally, it is the best medicine it has ever yet been offered to the public, it is always safe, and the most delicate and most nervous can use it, it is free from any other medicine in some a little castor oil, and is so powerful. Exercise in the open air and light food, with this medicine, will always insure a safe and sure confinement.

Three Children.
Dr. Townsend—Dear Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. The first was very severe, and for years I have taken only four bottles, it took them away, for which I feel myself under deep obligation. Yours respectfully,
ISAAC W. CRAIN, 105 Wooster st.

Opinion of Physicians.
Dr. Townsend is almost daily receiving orders from physicians, at different parts of the Union. That is to certify that of the, undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe to be one of the most valuable preparations in the market.

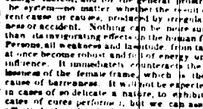
Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of persons were formerly our agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts to Yellow Dock, etc. They generally put up in the same shaped bottles, and some of them have stolen and copied our advertisements; they are only worthless imitations, and should be avoided.



OFFICE MANUFACTORY
TRICKS OF QUACKS.
Let Everybody Read This Carefully.
THERE is now in the market, from different towns called old Dr. Jacob Townsend's Sarsaparilla, put up in imitation of the original, &c. This is a notorious falsehood. While we acknowledge of the respectable agents for the sale of this miserable compound, throughout the country, from any jar in the original, &c. Yet, we feel bound in justice to the public against the tricks of the manufacturers, who unblushingly put forth to the world such notorious falsehoods.
Dr. Townsend has expended over $200,000 the last eight years in advertising his Sarsaparilla, which has given it a world wide celebrity throughout the United States, and a greater part of the world, the sale being enormous.
This excited the cupidity of certain unprincipled men, and an old man who has been engaged in peddling cheap publications for a number of years, procured a copy of Dr. Townsend's, and applied to a number of men to get employment, or to sell the use of his name to put up Dr. Townsend's Sarsaparilla, stating that he knew how to make it expended in advertising, as an inducement to embark in the business. Among others he applied to Charles Wickersham, editor of the Dominick Farmer, who scorned such a proposition. Mr. H. Q. Andrews, formerly one of the proprietors of Mr Alister's establishment, Ralph Pomeroy, formerly a merchant, clerk of the broken shipbuilder bank at Bellville, New Jersey; John Sullman and Wm. Thompson, under the Mansion House, 36 Ann st. N. Y., have employed this old man, and agreed, as we understand, to pay him seven dollars per week for the use of his name.

Another Trick
We went to an expense of five hundred dollars to put up a splendid steel engraved Label, and had the portrait of Dr. Townsend on it to distinguish it from all others and prevent mistakes. These men have
