MEDICAL.

I HAVE FOUND A TREASURE. SO SAYS the consumptive who has been [illegible] under a distressing Cough, Pain in the Side and Chest, and debilitating night sweats, and could not find any relief. So says the Asthmatic, whose difficulty of breathing was such that he could not lay down at night. So says the person who has been *bleeding at the lungs*, and who failed day by day until he met with this invaluable help. Would you know its name?

Sherman's Olosaonian,

or ALL-HEALING BALSAM

Is this invaluable treasure, which has done more during the past six months in relieving the above diseases, than any other remedy in the world. This is no humbug, nor is any deception practiced, as the testimonials are left at the office for the inspection of all who may wish to see them. Over *Three Thousand Persons* have used this great remedy in the city of New York alone since the 20th of March last, and no complaint has ever yet been made concerning its effects; on the contrary, all who have ever used it speak of it in terms of unqualified praise, and among the number of cases which have been treated by the Olosaonian are to be found many of *The most astonishing Cures* on record. Read the following, and some of your doubts concerning the efficacy of this remedy may be removed.

Mrs. Wilby, the wife of P. Wilby, Esq. residing at 133 West 17th street, was given up by the two physicians who attended her, and left to die. Every day was expected to be her last. Her disease was pronounced consumptive, and during her sickness she raised very large quantities of blood. Her Cough was incessant, her weakness and emaciation very great. After using Olosaonian, or All-Healing Balsam, a short time, she was entirely relieved, and is now attending to her family duties about the house, where those who doubt can call and see her if they feel sufficiently interested.

Artemas Raymond, who resided during his sickness at 398 Madison street, but has since removed to Providence, R. I., was attended by 7 of the best physicians in the city. They attended him the better part of three months and gave up his case as hopeless. They pronounced his disease an Abscess, or Ulceration of the Liver, and Scrofula of the Lungs. They told him they could not help him, and that he must die, as his Lungs were entirely gone. He had a monstrous tumour in his side, which was opened and discharged over three pints of matter from the Liver, exactly resembling that raised from the Lungs. He was persuaded by his friends to try the Olosaonian, and after using two bottles was entirely restored. We would refer all who doubt the authenticity of this case to Mr. Isaac Labagh, 27 Norfolk street, who visited Mr. Raymond during his sickness, and was familiar with this treatment.

A Hundred Cases equally as unpromising in their commencement, have been cured effectually by this great Remedy.

Have you a troublesome Cough? Do you raise Blood? Are you troubled with Asthma, or difficulty and shortness of Breathing? Have you Night Sweats? Be cautious. Do not be deceived in the means you make use of for relief. *Here is the Remedy.*

Prepared and sold by A. Sherman, M. D., 106, Nassau, street, New York. Sold also at Dalley's Southern Magical Pain Extractor Depot, No 151 Chartres Street, N. O. d29—1m
