Representative, 1st District, to Congress,
JOHN SLIDELL,
FOR THE SENATE OF LOUISIANA,
ALBERT HOA.

☞ A gentleman who arrived yesterday from Point Coupee and West Feliciana, assures us that Mr Roman will obtain a majority in these two parishes—They had usually been given to Mr Preaux.

☞ Letters received from Lafourche and Nachitoches confirm the news we received of the meagre chance of Mr Preaux. One letter states that Mr Roman will not lose a *hundred votes* in the three parishes of Lafourche, Nachitoches the partizans of Mr Preaux admit that Mr Roman would have an immense majority over his competitor.

☞ We are requested to state for the information of those who desire to remain in our city until the elections are over, that the steamboats MONARCH AMBASSADOR, and SULTANA, will not leave for their destination until after the elections.

STEAM-PACKET CUBA

This splendid new packet, S B Carson, master, has returned, after making the shortest trip ever performed to and from Texas. She was precisely 45 hours from this to her anchorage at Galveston Bay, and from the coast of Texas, three hours and a half; and from Velas to this city 54 hours. She will leave for Galveston on Friday next, at 10 o'clock a.m.

The Ship Franklin, which sunk at the N E Pass while towing down, was brought up yesterday by the tow boat Tiger. She was pumped out by the Pilot Boy, which has brought up a part of her cargo.

THE STATE JACKSON, who attempted the life of his master, Mr James Purdon, is condemned to be hung. The execution takes place on Friday next.
