GRINDLIE'S
ANCIENT AND CELEBRATED

JAPANESE LIFE PILLS.
NATURE'S OWN REMEDY.

A Positive Cure for Liver Complaint and Bilious Disorders, Dyspepsia, Rheumatism, Scrofula, Cutaneous Diseases, Fever and Ague, Costiveness, Dysentery and Diarrhea, Worms, Suppression of the Menses, Nervous Debility, &c.

For a long time we have been compelled to witness with painful emotion the many adulterated and worthless preparations for the human pills and liquid medicines, and patients using them without knowing their ingredients effects upon their systems. This unwonted state of things may be attributed, first, to using only these ANCIENT JAPANESE LIFE PILLS and our Master Compound. For many years, we have satisfied the public that such a medicine, which it has, I, would throw out disease and not more severe, would create health and strengthen and give *fortitude* and tone to the system.

We now publicly and fearlessly say that its so much superior to all other preparations, that it stands unopposed, actually throwing out disease and not merely suppressing it, or simply purifying the blood, and invigorating or strengthening the system—has been tried. Its wonderful relief, but positively cure every disease for which they are recommended.

Prepared and Sold by the Proprietor, DR. BOBACK, No. 4 East Fourth street, Cincinnati, Ohio, and by respectable druggists and dealers in medicine throughout the United States, the Canadas, Mexico, South America, &c., at 25 cents a box, or five boxes for $1.

JOSIAH S. GRINDLE, New York Sole Proprietor, for Sale by Druggists generally. Also, The Celebrated Mexican *Colonial Mixture*, recommended the great remedy for RHEUMATIC COMPLAINTS.
