N. B. Mr. Rappallo may be seen at his residence, from 8 A. M. till 4 o'clock P. M. He will shortly publish some new certificates.

New-Orleans, July 17 1831.

Since the last eclipse of the sun, I partly lost my sight, and could not see at a distance, but having had recourse to Mr. Rapallo he has completely restored my sight: I consider it a duty to state this fact, for the interest of those who might be afflicted in the same manner.
S. GUY. ARNOULD.

New-Orleans, July 18 1831.

Having called Mr. Rapallo to cure the eyes of my daughter, aged 8 years who felt a weakness in the sight such that she could neither read nor write, he administered his remedy to her with such success, that after six days she was perfectly recovered. J. ROUSSEAU.
Cabinet-maker.

NEW-ORLEANS, March 15th 1831.

My negro boy, Charles, had been labouring under an affection of the eye, which threatened total loss of sight, when I was informed that Mr. Rapallo possessed a cure for the eyes; I sent for the gentleman, who, in the course of a fortnight, perfectly restored him to sight, and from that day the patient has not suffered in the least. BELEFINE BARDOBLE.

NEW-ORLEANS, Feb. 7.

I hereby certify that Mr. John Rapallo, has cured in the space of a month, one of my eyes, which for some time was so much afflicted that I was unable to work. At present I pursue my business without any inconvenience.
ANTOINE SEDANO.

New-Orleans 1st Jan. 1830.

I hereby certify that Mr. John Rapalo, cured the eyes of one of my negroes (thirty four years old) in three days; notwithstanding he had been much affected for many months, so as at times, to be scarcely able to walk. COMMERCIAL.

From the New-Orleans Price-Current, of Saturday last.

COTTON.—Arrived this week, of Louisiana and Mississippi 50 bales. Cleared since the 8th inst., for Liverpool 1311 bales, Havre 1321, Trieste 635, Boston 198, Philadelphia 113; together 3548—making a reduction in stock of 3498, and leaving on hand inclusive of all on ship-board not cleared on the 15th inst., a stock of 15603 bales. The only sale within our knowledge was a lot of 39 bales Tennessee at 8¼ cents—the market is calm and our quotations nominal.

SUGAR & MOLASSES.—The late advices from the Northern cities are operating favorably here, and holders generally expect better prices—there is more doing than usual at this season of the year. No clearance this week.

TOBACCO.—There has been nothing done this week—there is no demand, and our quotations may be considered nominal. Arrived this week 4 hhds. Cleared, for Liverpool 104, Boston 397, Philadelphia 61, Baltimore 205; together 770. Stock, inclusive of all on ship board not cleared, 7,551 hhds.

FLOUR.—meets with a very good demand, both for home consumption and exportation. Sales during the week, have varied from $4 50 a $5, and yesterday a cargo of 5 to 600 bbls. fresh and of new wheat, was sold at $6. The Bakers are short of this description, and as much more would perhaps bring the same price or a greater, though any quantity beyond the necessity of the moment would reduce the price at once. The stock on hand, of every description is very much reduced.

BACON, PORK & BEEF, remain without change. Considerable quantities of Pork are clearing out for the Northern cities, and the market, on that account, may be better for what remains.

BALE ROPE & BAGGING are the same as reported last week—plenty and dull, and nominally the same price. Arrived this week 945 coils Rope, and 202 pieces of Bagging.

BUTTER, *Goshen*, is selling at 22 cents. Nothing further has been done in *Western* since our last remark.

LARD is scarcer than usual, and goes off briskly as 11 a 12 cents per lb.

WHISKEY is rather dull at 36 cents, at which we quoted it last week—it has been sold at 35½ cts. 4 months.

TEAS.—We advance our quotations to last sales, the article having improved in price.

COFFEE is improving, and is somewhat scarcer than for some time past. Havana green is selling at from 11½ a 13 cents per lb.

CORN has advanced—in cars it is selling at $1 per bbl. Shelled, in sacks, 72½ a 75 per bushel.

FISH.—Some fresh Mackerel No. 3, have got in by the last arrivals—we have not yet heard of sales. Two small lots of Codfish were sold at $4 75 per box. Both are scarce, particularly Cod.

SALT, *Turks Island.*—The last arrival of 6000 bushels, was sold at 60 cents. It is scarce and in demand.

FREIGHTS.—We have no alteration to make in the rates quoted last week—vessels are plenty and the number daily increasing. At this season of the year much freight cannot be expected, and those who are not taken up, may be compelled to take lower rates or be delayed.
