HYDROCONIONE, or apparatus for shower and vapor baths, for sale by the subscriber.

Medical gentlemen of the faculty of the most distinguished physicians of New Orleans, Mr. Gicquel had formed an establishment for shower and vapor baths, by means of an apparatus already known in Europe, which experience has taught him to modify, the employment of which is rendered so easy, that any person can administer it to himself, without the aid of a bathman. This apparatus, which is the only means of which he has obtained the most favorable results, and has restored invalids to unexpected health who had been attacked with gout, rheumatism of various kinds, scrofulas and scorbutic affections, letters, &c. &c. Medical gentlemen may depend on the shower and vapor baths may be substituted for the ordinary bathes with an advantage as derived from the latter. It is consequently indispensably necessary for large families, or in extensive establishments, such as boarding houses, hospitals, &c. &c. Gicquel begs, while in the parlor France, is willing to dispose of this apparatus, made under his orders at Paris. He will give every information respecting the manner of putting it into operation, and will furnish certificates from the principal physicians in Europe, specifying the cures, and various scientific bodies, appointed to give their opinions respecting this mode of bathing, so generally practised in France, Germany, Italy, &c.

Mr. Gicquel also offers for sale, his circulating library, to which he has added various works of jurisprudence. GICQUEL,
corner of Bourbon and St. Anne

N. B.—Madame Gicquel is not about to leave the city, therefore the sulphureous baths will be administered as usual.

DE FOUILLY & BROTHER, inform traders and others in this city, and the country adjacent, that their steam mill has just been put into operation, and that they mean to keep constantly on hand calcined cement for all kinds of stucco-work, and plaster for enriching the sell.

They will pay the fullest attention to the completion of their machines by which time is not only saved, but the most perfect plaster cast made. They can warrant the quality superior to that of any of the plasters imported from the North, having the advantage of being made without a particle of lime. The price will also be lower. These reasons embolden them to look for a share of public patronage.

Orders can be left at their office in Exchange alley, at the manufactory at the corner of Marigny and Elysian fields, or at the Carrollton railroad.

P. S. A large deduction will be made to those who are orders to fill from a distance. nd

PLASTER STORE OF DEFOUILLY, BROTHERS & Co.—Calcined plaster for sale by the subscribers, from their manufactory, recently prepared, at moderate prices.
