Voluntary Control Council for Interference (VCCI) Statement

This equipment is in the Class 1 category (information equipment to be used in commercial and/or industrial areas) and conforms to the standards set by the Voluntary Council for Interference by Data Processing Equipment and Electronic Office Machines that are aimed at preventing radio interference in commercial and/or industrial areas.

Consequently, when this equipment is used in a residential area or in an adjacent area thereto, radio interference may be caused to equipment such as radios and TV receivers.
Notice to Users of ISDN Service

The following instructions are provided to ensure compliance with the Federal Communications Commission (FCC) Rules, Part 68.

1. All direct connections to ISDN lines must be made using standard plugs and jacks.

2. Before connecting your unit, you must inform the local telephone company of the following information:

<table>
<thead>
<tr>
<th>Port ID</th>
<th>REN/SOC</th>
<th>FIC</th>
<th>USOC</th>
</tr>
</thead>
<tbody>
<tr>
<td>PRI ISDN</td>
<td>6.0Y</td>
<td>04DU9-1SN</td>
<td>RJ48C</td>
</tr>
</tbody>
</table>

3. If the unit appears to be malfunctioning, it should be disconnected from the telephone lines until you learn if your equipment or the telephone line is the source of the trouble. If your equipment needs repair, it should not be reconnected until it is repaired.

4. This device has been designed to prevent harm to the ISDN network. If the telephone company finds that the equipment is exceeding tolerable parameters, the telephone company can temporarily disconnect service, although they will attempt to give you advance notice if possible.

5. Under the FCC Rules, no customer is authorized to repair this equipment. This restriction applies regardless of whether the equipment is in or out of warranty.

6. If the telephone company alters their equipment in a manner that will affect use of this device, they must give you advance warning so as to give you the opportunity for uninterrupted service. You will be advised of your right to file a complaint with the FCC.

7. In the event of equipment malfunction, all repairs should be performed by our Company or an authorized agent. It is the responsibility of users requiring service to report the need for service to our Company or one of our authorized agents.
