FICHE 1 OF 1

MADE IN U.S.A.

This microfiche strip contains approximately 15 frames of data. The frames are arranged vertically and contain various types of information, including:

- Frames with vertical columns of numbers and text, possibly representing a table or list.
- Frames with horizontal lines of text, likely code or instructions.
- Frames with a mix of numbers and text, possibly representing a data set or a specific record.

The text is very small and difficult to read, but it appears to be organized into a structured format, possibly a data table or a list of records.
