## Product Warranty Caution

The EXB-8205 and EXB-8505 8mm Cartridge Tape Subsystems (CTSs) are warranted to be free from defects in materials, parts, and workmanship and will conform to the current product specifications upon delivery. **For the specific details of your warranty, refer to your sales contract or contact the company from which the EXB-8205 or EXB-8505 was purchased.**

The warranty for the EXB-8205 and EXB-8505 shall not apply to failures caused by:

- Physical abuse or use not consistent with the operating instructions or product specifications provided by EXABYTE's personnel or agent for the applicable equipment.
- Modifications by other than EXABYTE's personnel or agent in any way other than those approved by EXABYTE, provided the warranty shall not be voided by the repair or replacement of parts or the attachment of items in the manner described in maintenance or installation instructions provided by EXABYTE.
- Repair by other than EXABYTE's personnel or agent in a manner contrary to the maintenance instructions provided by EXABYTE.
- Removal of the EXABYTE serial number tag.
- Physical abuse due to improper packaging of returns.

### CAUTION

Returning the EXB-8205 or EXB-8505 in unauthorized packaging may damage the unit and void the warranty.

If you are returning the EXB-8205 or EXB-8505 for repair, package it in its original packaging (or in replacement packaging obtained from your vendor).

If problems with the EXB-8205 or EXB-8505 occur, contact your maintenance organization; do not void the product warranty by allowing untrained or unauthorized personnel to attempt repairs.
