

SmarterCommerce
Global Summit 2012 Orlando
Sept 5-7, 2012 | Walt Disney World Swan and Dolphin Resort
Redefining commerce in the age of the customer.

Attendees can get an in-depth look at IBM products, solutions and capabilities, and meet with one of IBM's many technical experts or Product Managers or Solution Experts onsite. The Meet the Experts area is located in the Solution Center, and will provide attendees with two opportunities:

1. See an IBM Smarter Commerce Solution in action, when you schedule a Demo in the Meet the Experts area. Simply stop by the check-in desk and make an appointment.
2. Sit down with an IBM Product Manager or Solution Expert and discuss how IBM Smarter Commerce can help solve your most pressing business problems and challenges, you can schedule a 1:1 meeting in the Meet the Experts area. Just make an appointment at the Meet the Experts check-in desk.

You can schedule a 1:1 Product Manager or Solution Expert meeting in advance before August 30th. Simply contact your IBM Sales Representative to get this scheduled.
