BI-01
Reports, Dashboards and Scorecards with IBM Cognos 8 BI: Better Decisions for all Users, with Maximum IT Efficiency

Learn how IBM Cognos software provides complete reporting, dashboarding and scorecarding capabilities to accelerate decision-making for all users in an organization, while maximizing IT efficiency. In this session, you'll see demonstrations of IBM Cognos 8 Go! Dashboard, IBM Cognos 8 BI Report Studio and IBM Cognos 8 BI Metric Studio. You'll also see how these capabilities work together to build trust in your corporate data.
