You can also choose to let others contact you by e-mail through a link contact you.

Remember my login on this browser (for a maximum of 180 days)

Step 2. Find your local sites @ [Monuments in India](#) (Make sure that you add right ASI monument number to be part of the contest). Click on this [link](#) to find codes for the monuments in Odisha.

Step 3: Take photos!

Step 4: [Upload your photos](#) to the contest. Please only upload photos of which you are the photographer. Do not upload images from other websites. **Copyright violations like these will be deleted immediately.**

Also upload the highest resolution from your camera, do not add a frame, and do not add any watermark. They will be disqualified, as it makes the image unsuitable for Wikipedia.

It looks like this!

How to use UploadWizard

After you reach the [Upload page](#) click on “[Select a media file to donate](#)”.

After you choose an image from your computer it will be uploaded. Click [Continue](#).

Fill the required details like “Name”, “Description” and most importantly “ASI indentifer (Sl. No)” from this [list](#). Hit “[Next](#)” and you are done ;-)
