

Lista de apellidos Sefaradíes.

La Fuente y los Códigos Utilizaron

Todos los apellidos en esta han sido el resultado de una copelación de 4 listas que se han recogido de 4 locales como están indicado por el botón y por los botones en la parte alta de la pagina. Sin embargo para darle el crédito, que es necesario, hemos puesto los URLs de cada uno de los links:

L=Viene de Lusaweb (<http://www.lusaweb.com>), donde se puede buscar su nombre portugués y genealogías Sefaradíes. La parte Sefaradí, el crédito va para el señor Harry Stein (<http://www.sephardim.com>).

O= Copia del señor Jeff Malka. <http://www.sephardicgen.com/names.htm>

T=Viene de B. Nahman. <http://home.earthlink.net/~bnahman/TOLEDOhtm.htm>

I=Viene de la Sinagoga Beth HaDerech (Toronto, Canadá):
