Deliver or a Medican or Concessor—It is stated in the Mobile Register, that the Hose. A. G. H. Arrison, one of the members of congress clear, from Minomi, and on the fifth in the Mobile Register, that the Hose. A. G. H. Arrison, one of the members of congress clear, from Minomi, idea on the fifth in the Wear an announcement of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of his illeass assume time since, but had not learned to fail in the state of th

the yellow fever. At Fort Charlotte, in the first-mentioned island, upwards of sixty men had already-died of it, including Lientenant Hawker, of the 70th Regiment. At Demarura, Columel Dancy, Captain Bruce, Lieutenant and Adjutant Hopkins, Enuga Phipps and Enugu Dickenson, had fallen vietins the the disease, together with a large number of oddiers. So great was the mortality that it was found increasery to remove the throops from their barracks.

The earthquake feit at Barbadoes on the 2nd of August, was also felt at Demarura, Grenned and St. Vincent; at the latter phase it continued from 9 to 10 seconds—vibration nearly east and west.—New York Journal of Commerce.
