It was be grantfying to the friends of Mr. Buwen to act that the Bar ailer a tell investigation of the extense produced by Mr. Lewis to superintiate the charges, unanisomely declared the allegations agains him to be without tourdation. The Bar appointed unrities to acomins into the extences addeed by Miles with the performed that duty, and the emphatic declaration that the charges were without foundation was not made hastily, but upon a minute investigation of feets of the case.
