rage committed at Fredericksburg. The per-son on who headed this lawless band of mason on who peaded this lawless band of ma-randers is ascertained to be Sergi. John F. Smith, of the 2J Dragoons, and a warrant has been issued for his arrest. He was fully iden-tified by several witteness. The Victoria Advocate learns that neveral murdere and robberies have recently been com-mitted by the Indians west of the Nuècos, and in the neighborhood of San Patricio and Black Point. There are said to be a large number of

Indians now in the section of country above referred to.

A rumor has reached Victoria that Mr. Chs. A ramor has reached Victoria that Mr. Chs. Harrison and a Mexican named Casteo, have been recently mendered by the Indians, a short distance west of the Nucces.

J. Myers, Quartermaster U. S. Boundary Survey Commission, strived at Victoria, on the 24th ult. 11 is now pre-pared to parchase horses and mules for the capedition, if delivered at this place soon the capedition, if delivered at this place soon of the capedition, if sets aground in the Trinity, a few miles above Liberty, near the plantation of Mr. R. Green. She was bound to Magnolia, with a large cargo of inerchandise on board, and had stopped to take in wood During the might, the water fell two or three feet, and it is feared that she will not be act affoat again for several weeks.

The schooner Fanny Mott, Captain Armstrong, from Sabine, wasswrecked near Galveston.

Clay's Compromise bill is defeated in the Senate. The provisions relating to the Texas boundary, the Territorial Government of New Mexico, and the admission of California into the Union, were all stricken out of the bill learning authing but the martings satisfiable are the Onion, were an erreach out of the oni-leaving nothing but the sections establishing a Territorial Government for Utah. The bill-thus cut down, passed the third reading.

BALTIMORE, July 31.
GREAT FIRE.—There was a great fire in Onor Gerart First.—There was a great fire in Oswego, N. Y., yesterday. Among the buildings
burnt were the flouring mills of Pardoe and
Henry Mathews, also the mills of H. Fritzebrigh & Co., also the new block of buildings
belonging to Bennett's family. The fire spread
south of Bridge street, and the entire range between the river and Forrest street was consumed. The fire was still raging at the last
accounts. The loss will not probably be less. accounts. The loss will not probably be less than half a million of dollars.

STEAMBOAT EXPLOSION.—The steamer Ameriea exploded on Lake Eric yesterday, killing the 2d engineer, with several others, and scalding 25 persons.
