Giorione Wied to the Thomas and Mexicame table? Established to the Mexicame table? Established to the Mexicame table? A five days ago when intelligence was received of the presence of 15,000 Mexicame under Santa Auna, at Cerro Gordo, we stated that another and most probably a final battle would then be open to our troops. The prediction has been realized. An nagazement, magninery, obstinate, and decisive has taken place; the Mexican Army has been cut to pieces, made

day, in which little mischief was done.

On the evening of the 19th General Starry,

HEAD QUARTERS OF TAE ARMY, Pinn dei Rio, April 17, 1847.

Plan del Rio, April 17, 1847.

General Orders, No 111.

The enemy's whole line of entrenchments and batterys will be attacked in front, and at the same time turned, early in the day temotrow—probably before 10 o'clock, A. M.

The second (Twiggs) division of regulars is already attanced within easy turning distance towards the enemy is left. That division has instructions to move forward before daylight tomorrow, and take up jentionsacrous the National Road in the enemy, a rear, so as to cut off a retreat towards National I may be reinforced to day, if unexpectedly attacked in force, by regiment—one or two taken from Sheids's bij-gade of volunteers. If not, the two volunteer regiments—withanspirity that purpose at daylight regiment—withanspirity that purpose at daylight regiment—withanspirity that purpose at daylight.

will reporte to learn of the majority of that inficulties much the results of the majority of that inficulties much the majority of that inficulties much the majority of the Borrs' majority cannot be less than 300 and may reach 600. This district, the Union declared, would elect Mr. Leaks, by 200 majority dragoons to the rear of the enemy's works.

indebted for his escape to his poltroonery:—before the day was lost, he cut the traces of his
coach, mounted a mule and made for the chaparral, leaving his vehicle, service of silver, money, papers, and even dinner, which fell into
the hands of the Americans. Gen. La Vega is
again a prince. He was serviced in the coach controlled the broad peanant of Commodore Whige are elected to the Legislature in Richmond, Henrico, Hannver and Powhattan; in Chesterfield and Goochiand, locations are chosen. Louisa, close and doubful. From the Richmond and Washington papers we extract the following additional particulars:
