The transactions in Cotton since our review of Tuesday last have been more extensive than was the case in the early part of the week; purchasers having been induced forward in consequence of some concessions made on the part of holders. The sales during the last three days will reach 9,000 bales, at a decline on the inferior qualities [illegible] but trades continue to be well maintained. [illegible] shade is now just due, and her advices are [illegible] to-day for
