Havan, July 13. COTTON MARKET.—The business in Coting reserviday was very active, the sales reaching nearly 7000 belies, at an advance of 2 to 33 on the previous Stuurday's quotations. To-day the market opened briskly, and before the day closes, the sales will be large. The advices from New York and Liverpool have operated favorable on the market.

Later from Brownswitte.

We learn by the passengers on the steamship Portland, serived yesterday from Brazos St. Jago, that the day they left Brownswille information in the base substitute of the base substitute of the state of the substitute of the state of the state of the substitute of the state of t

tion was received there that the authorities or Matamories had arrested two of the ring-leaders of the gang who have recently committed so many robberies upon the Point Isabel road. The Mexican authorites have acted in this aftar parties on both sides of the river could bring tern to justice. The robbers were arrested by e escorted the next day to the banks of the rier, and compelled to cross the ferry to Brownse them. These men were formerly at ceive them. These men were formerly ac-iched to the American army, and are known r-oberies and murders in dinerent parts of Mexico. The citizens of Brownsville, appre-hensive of the law's delays, and that justice would be wronged out of its just dues, were de-liberating upon the propriety of making her

cause their lown, and saving the country the expense of a trial, as Judge Lynch was to set on Brownwitte, there heng no boat at present run-oring on the Rio Grande, and the difficulty of conveyance by land, on account of the robbers.

yesterday morning.

Capt. Judge states that the weather for the hast month had been very favorable for the crops, which, if the dry season did not set in before Sent, would be very abundant. Molasses was a scarce article and would so continue for some time, on account of the partial failure of the sugar cane last year.

Business generally was duit, and the market well supplied with provisions, the Niger from New York; and the Nassau, from Cayenne,

having both arrived with cargoes.

EF The Pittaburg Gazette of Priday brings us news of the death of the Hon. Thomas Hangy, a most worthy citizen of Beaver county, in Pennsylvania, and advantageously known in this city from his having represented that district for three successive Congresses, commencing with the first year of the Van Buren Administration. Mr Hangy was a naive of Ireland, but was brought to this country with his inter when he was but two years old, the firmily settling in the West, in the year 1787. He was a sound Whig, and slways discharged with fidelity all the trusts, public and private, and intelligencer.

Corrow Marker.—The market has closed heavily, but steadily, at no change in prices. The miles are estimated at 6,000 bales, of which 900 American and 500 Perusam and Maranham, at 5 s 33.8; 700 Egyptian, 51.2 a 71.2; 300 Borat, and an object state of the prices of the city to the processistion. Among the sales are 4,000 American and 500 Perusam and Maranham, at 5 s 33.8; 700 Egyptian, 51.2 a 71.2; 300 Borat, and the haves propects more satisfactory. Prices, are, however, quite firm, and for all descriptions of grain and produce, yesterday's rates are this day's quotation.

Market for yarns and good business going forward, the sales of the carry part of the week in both broadcloths and yarns, has rather abated, and buyers do not to-day exhibit much desire to pay the advasaced rates which holders require. Speculators are also less desirable of operating in the raw material, at the seme time the market is a neady, and a good business going forward.
