FERTHER BY THE CANADA.

BNOLAND.—The proceedings of parliament were not of any moment, if we except the 'x' plantation touching the renewal of the Curn Law'; given by the Primier in the House of Common. On the 15th instant, Lord Darby said that the question at issue between the Free Traders and Protectionists would be decided at the ensuing tent to the law of 1848. He cattiguated the proceedings of the Anti Corn Law League—implored their Lordships to apply themselves not to the renewal of free trade, but to such modifications of the system as would mitigate the blows inflicted on the Agricultural portion of the community, and allowing the renewal of free trade, but to such modifications of the system as would mitigate the blows inflicted on the Agricultural portion of the community, and allowing the theory of the particultural portion of the community, and allowing the decided at the specific on the Agricultural portion of the community, and allowing the without a corresponding attention in the expendituress thrown upon them—the moderate imposition of a duty, promise the moderate imp FURTHER BY THE CANADA. BNot AND.—The proceedings of parliament were not of any moment, if we except the 'X' planation touching the renewal of the Corn Law'

dectors of Cobrain, made vacant by the resignation of Dr. Boyd.

The termination of the Cork election had not reached Liverpool when the Canada saided. It was the general opinion that Mr. Scully would be returned. vas the general opinion that Mr Scully would be returned.

The Parliamentary Committee of the Catholic Defence Association that was seed an address to be electron of Cork, endocring Mr. Scully, and deprecating the consistency or ability of the Protestart candidate. Mr. Termin, From the action adopted by the Defence Association, there fifths of the control will be completedy in the leavest of the Pricets, at the approaching election.

Lord Choncurry had addressed the people of Schlere, rescent in that the candidates for its operational and not said a word about Relocal theoretical that the candidates and Relocal theoretical method to edited and word about Relocal theoretical method to the candidates and the popular position of the continuous cabinet had seen coupleted by the equination of Viscount behands that return a word of the continuous capacity of according endowed with tablest and oratorical sweets had not existed at Lisbon for many over. The return of the cluster was likely to be carried.

o becarried.

Hot LAND.—The Second Chamber had becated one of the most important clauses in the offine retablishma an Income Tax. The ministry therefore withdrew the measure. inversions to be as a six-squa to avoid further brottlittes. The Fernana had invaried the fact of the case of stelly to prove save solution snorth of Chona. A trace point all beet had arrived off Ningle. Strata becased were on the spect to render such satisfance as night be necessary. Seventeen American whiles were in Hong Kong barbor. The fishing season had been un-prefitable.

THE NOTORIOUS DR. HINES.

CONGRESS.

Mr. H. and that it this expension was control, as stated in the newspapers, Congress would shortly be called upon to make a large appropriation for its aspension. It was proper that before the expedition sailed, the country should know its object.

Mr. Gwin objected to the consideration of the resolution, and it was laid over.

the resolution, and it was laid over.

On motion of Mr. Soule, the Senate took up
the hill to provide for a trimouthly small from
New Orleans to Vera Cruz, via Tampino, and
back, in steam vessels. The hill was amended
as as to authorise the Postmaster (fenoral to
enter into a contract for the transportation of the
mail trimouthly, between New Orleans and
Vera Cruz, for five years, at a sum not exceed
rus \$100.000 a year, the steamers to be of not
leas than 600 tons burthen, adapted to war purpasses.

The floor was successively occupied by Messra Williams, of Tenn, Ingersoll, of Union, and Fowler, of Mass until the hour of adjournment.

THE NATIONAL DEST.—Milliams pred by the Administration—According to the Hou James Brooks, the present Administration has paid nearly \$1,000,000 of the National debt. Thus Lee toulde registered debt on the 30th of Morember 1850, who was a first of the Administration of the Administration has paid nearly \$1,000,000 of the National debt. Thus Lee toulde registered debt on the 30th of Morember 1850, who have been administration of the 30th of the 1850 of the 30th of t

Boston, March 31.

Destructive Conflagration in Boston.—At one o'clock, this morning, the Tremont Temple, formerly the Theatre, was discovered to be on fire, and in less than two harms. a mass of ruins. The walls all fell in. The loss as stated at \$200,000. The building was inseras stated at \$200,000. The building was inserd for \$42,000 in Eastern offices, and was occupied by thirty tenants of various professions,
who lost all their property.

A. J. Johnson, music dealer, lost in pianot
shout \$2,00. Thos. Thompson's valuable colluction of internal much \$43,000.

ection of pictures, worth \$43,000, was destro d. King, the artist, loses his beautiful bus vorks of art belonging to different tenants we lestroyed.

The building adjoining, on the South aid-

was completely amashed by the falling walls.

Boston, March 31st.

Later from Bueno Ayres—Confermation of Roras' dejent by the statumer Canuda.—Accounts from Buenos Ayres to Veb. 2d via England confirm the account of Roras' defeat in every particular. Russaw sap present in the engagement, and was slightly wounded. His cavalry were interally rade down by the Holdstein cavalry in the service or the Brasilians. Rosas, discused as a saitor, succeeded in reaching the English steamer Locust, with his daughter. Gran. Marchillo, commandant at Blaenos Ayres, offered to capitulate and the foreign diplomate were trying to arrange matters anticably. Chen. Urguins's army numbered 38,000 men. and 3000 horses, and forty pisces of artillery. The naval commandors of the different nations were about to land forces at Bluesus Ayres to protect the persons and property of foreigners. The cavalry of Rosas were routed early in the battle, but his infantry made a desperate stand. Business at Heason Ayres was at a stand atill.

The Canada also brings intelligence that the Austrian war steamer Auccus, had be every of 120 souls, had all perished.

Bosros, March 31st.

Statings of the Names. The statement. was completely smashed by the falling walls: BOSTON, March 31st.

Bostos, March 31:8.

Sailing of the Niagaca.—The steamer Niagara, sailed for Liverpool to-day, with \$12,000 in gold and 28 passengers.

Harristung, March 31:8.

TREFTON, March 31.

The India Rubber Case - Mr. Webster delivered the closing aperch in the India Rubber case to day, and the Iricuft of Mr. Day are as number of success. The Judges have reserved their decision.

Naw York, March 31.

Arrival of the 11'm. Penn. —The steamer Wm
Penn., which left Chappes on the 20th, and
Kingston on the 24th, arrived this mooning,
Irriging 160 passeagers.

Fears were felt for the safety of the Moou
mental City, which left Parama as January,
to-thed at Acapulco, on the 2d ult, departed
the same day for San Francisco, and has not
been heard of since. She had on board a large
untuber of returning Calibranians, with their
families.
