L. MILLER'S HAIR INVIGORATOR,

AS FREE FROM SALT AND ECONOMICAL COMPOUND
FOR RESTORING GRAY HAIR to its natural color with out dyeing and preventing the Hair from coming out.
FOR PREVENTING BALDNESS, and starting the hair where there is the least particle of vital power—experiment.
FOR REMOVING SCURF AND DANDRUFF, and all cutaneous affections of the Scalp.
FOR BEAUTIFYING THE HAIR
Superior to all other articles used for that purpose. It is not a fashionable thing to use Hair Dye, but it is fashionable and brilliancy must be had. A Hair Dye is injurious to the hair, rendering it harsh and dry in its texture and causing it to split and break off. Miller's Hair Invigorator is not a Hair Dye, but a Hair Restorative. It is particularly recommended for its wonderful power in restoring gray hair to its original color. Dressing the hair, without a brush, is another advantage the Invigorator possesses. Nothing can be more convenient than this, for a gentleman in a hurry, or a lady in full dress. Ladies and gentlemen who have used Miller's Hair Invigorator, and have not received the benefit they anticipated, will please call at No. 5 Camp street, and state their case, when a bottle will be given them free of charge. Price 50 cents per bottle, or six bottles for $2 50.
Sold by druggists and fancy goods dealers generally.

AYER'S SARSAPARILLA,

A COMPOUND OF THE MEDICINAL PRINCIPLES of Sarsaparilla, Stillingia, Yellow Dock, Mandrake, Yellow Jessamine, Pipsissewa, Iodide of Potassium, and Iron. It is believed that such a remedy is wanted, that will purify the blood, and that the world is ready to welcome any honest compound of reasonable power to the burthen of human ailments. Such a remedy, we have reason to believe, is the Sarsaparilla we now present to the public. Its virtues are derived from the best and most effectual remedies we could find in the vegetable kingdom, or the mineral laboratory. Its ingredients are concentrated by a process which we have studied for years, and which is known to us alone. The result is a Sarsaparilla of unusual power, which we have found by experience to be more effectual than any we have ever employed before. We have made cures with it which seem almost miraculous, and which could not be credited if we had not the proof before us. Many of these cures have been of the most obstinate cases of Scrofula, and of Scrofulous disease of the Liver, Stomach, Bowels, Kidneys, Skin, Womb, Bones, Glands, and Muscles. Complaints originating in Impure Blood, Vitiated Secretions, Suppressed or Irregular Functions, Ulcerations, Tumors, Humors, Boils, Pimples, Blotches, Eruptions, Erysipelas, Rheumatism, Neuralgia, Dropsy, Dyspepsia, Debility, Female Weakness, Sterility, Leucorrhœa, Uterine Diseases, Gravel, Diseases of the Bladder, Kidneys, and Urinary Passages, Tetter, Salt Rheum, Scald Head, Ringworm, Syphilis, Mercurial Diseases, Disease of the Bones, Periosteum, Nodes, Pains and Aches, Female Complaints, Dropsical Swellings, Tetter, Salt Rheum, Scald Head, Ringworm, Syphilis, Mercurial Diseases, Disease of the Bones, Periosteum, Nodes, Pains and Aches, Female Complaints, Dropsical Swellings, Tumors, Tic Doloureux, St. Vitus' Dance, Erysipelas, Scrofula, Consumption, Liver Complaint, Dyspepsia, Heart Disease, Diseases of the Nerves, Blood, Skin, Stomach, Bowels, Kidneys, Bladder, Womb, Bones, Glands, and Muscles, Rheumatism, Neuralgia, Dropsy, Debility, Female Weakness, Sterility, Leucorrhœa, Uterine Diseases, Gravel, Diseases of the Bladder, Kidneys, and Urinary Passages, Tetter, Salt Rheum, Scald Head, Ringworm, Syphilis, Mercurial Diseases, Disease of the Bones, Periosteum, Nodes, Pains and Aches, Female Complaints, Dropsical Swellings, Tumors, Tic Doloureux,
