2243 1385 AFFAIRS IN WASHISSTON.

Washingron, July 1.—The total number of spilestions for Scooty Land Warrants spinis date is 182 000. Number of warrants is seed, 7,565. Number allowed, 11,084. 00,000.
It is reported that the Grand Jary here found in indictments against the persons engaged in the destruction of the blook of marble sent from time for the Vashington monament.

Mr. Waldo, the Commissioner of Pensions and tyst fresided to accept the judgeship to which be has lately been elected in Connectiut.

During the month of June there have because a design of about twenty clerks, messenge and watchmen in the Departments for politic

MIWS OF THE DAY.

The whole North appears to be panting and sweltering from the recoat spell of bot weather. Every where in that quarter the thermometer enges above 92, to the manifest discomfort of the inhabitants. The affects of the spell of hot weather have been quite fatal in New York.—

The Express gives a list of 14 persons who were sen atricken in 24 hours.

The last steemer from Europe brought a letter from Mabort Schupler to the New York uses, defending himself from the charges at the annual merting of the New Haven salvined Congany in May leat, that the company had into the banks would show, that site from the company lesing in the transaction with the Affer of E. C. L. telengler, there is not that firm a belance of \$80,000 from the company. The letter contains no totimation as to the whereabouts of the abscouded President.

meet of the liquor law on the 4th, as well as after that day.

The encion and tender of the passenger train in the Worcester and Nashoa Railroad was thrown if the track. The passenger car as a shrown if the track. The passenger car as a thrown if the track. The passenger car as a new for all y smashed up, but now passenger hort. The engineer and fireman were seriously tripred.

A meaning of the opponents of the prohibitory law was held to the Park on the weening of the opponents of the prohibitory law was held to the Park on the weening of the passenger of the

there in the man and a multiple and the second and broken to pices. The forward reserved car was slightly damaged, but note the passenger were bert. One fireman was rejorce, but all the rest escaped by jumping from the train.

that porty proves that in the ento now cann the maintainty, it is
ed to word-inting justice to array

paper condemn the move to severe terms. A tonne to Michigan Fist, seved in on the let inst., and horribly oreshed Mesers. Hell; of Ilinois, and Timbley, of Obio in a shocking manner. A Mr. Cardwell, when duy out, lit was been extinct. The wheat crop in the Southern portion of the State has proved a failure. It has been rained by the rest and grasshoppers. Other greats have turned out well. The Morsons settlement at San Bernardion has suffered severely from this result, 4000 sores having been destroyed or reedered sesies. or rendered useries.

The Los Angelos papers say the notorious
Brown and a party of horse thieves, of which
he is sepposed to be the head, had been being
but the people of Tejon. They had stolen some
horses and were juresed and captured. THE CITY.-Great excitement has been

ers. The next cay it was account of the line had crossed the bay. The same morning harlon was overtaken, and committed societe by shooting himself. Brare escaped in a wheat field and has not been found.

The returns of the recent election have been carvansed by the Board of Aldermen, and do not after the result first announced. The majorities given (though Irsude in the Sixth Ward.) are as follows: Mayor, 65; Comptroller, 111; Marshall, (K. N.) 16; Tax Collector (K. N.) 44; Street Commissioner, 310; Hafber Master, 149; Attorney, (K. N.) 67; Teasure, 93; Clark Saperior Court, (K. N.) 213. The Common Countil is sensible discountered for returns

hes been made to Sacramento.

A destrectives fire occarred on the morning of the 13th. It broke out in a house on Jackson atreet, occapied by a Maricas woman named affects of the block bounded by Jackson, Dupont, Stoni's Alley and Washington atreet, occapied by a Moriand procupied by Mexicans, Chinese and French prost total. Loss about \$440,000. An accident occurred to the Pennsylvania and Monamenta esgines, by which two man, samed Hines and Garwin, were badly but.

The Board of Sapervisors have attempted to foist another Jeany Lind Theatre swindia on the public, by purchasing two smil brick buildings and last sacressed at \$7,000, for \$25,000, on injunction has been issued restraining the sate. It has caused considerable indignation.

Great preparations are being made to celebrate the approaching National Anniversary by the military and Brames. Several companies from the interior are expected.

The saniversary of the Sanday School Union took place on the 10th. The report of the Secretary shows thirteen achools in operation, with a satal average attendance of 232 scholars, and 196 teachers. Addresses were made by Dr. Scutt and others. Officers were elected for the enabing year.

From Onkoon advices to the 9th ult, have been received. The only news of interest is the election, LARE (D) being elected, together with a Democratic Legislature. The vote on the question of calling a State Convention to form a Constitution, is favorable to that measure.

Idiotic AND FREBER MINDED CRILDRER.

THE JUNIOLAL EXECTOR

THE SUBSTILL EXECTOR

Francisco Oxigers has the following summary of intelligence :

NEWS OF THE FORNMIGHT.
