rien changer à ma résolution et ne ferait que retarder mon départ... Alors, toujours pâle, Henriette appuya le bout des doigts sur ses lèvres et envoya un baiser inconnu, mystérieux, vers ce malade d'amour qui gisait là-bas...

blaisante, peut-être se fut-il trouvé fort; devant Henriette résolue, se dérobant au danger, il perdait la tête, il perdait la notion de son devoir, il s'appelait et le désirait. Et le matin du jour même où il devait quitter Rozières, il ne trouva rien non plus dans son courrier.

était visible que des préparatifs se faisaient au château pour recevoir Henriette qui, sans doute, avait averti de sa prochaine arrivée. Elle allait revenir, puisque Frédéric partait. Il voulait échapper à cette vue et à tous les regrets qu'elle faisait naître en lui, et il se jeta sous les arceaux profonds et obscurs de Marchenoir.

instant de solitude où il lui semblait être très loin de la vie, très loin de tout ce qui est gai ou de tout ce qui pleure... Il n'y a pas un souffle d'air dans les arbres. La chaleur est si grande que les oiseaux se taisent, attendant, pour reprendre leurs chansons, leurs poursuites et leurs querelles, la première fraîcheur du soir.
