FOR PRESIDENT OF THE UNITED STATES,

HENRY CLAY

OF NEW-ORLEANS.

THURSDAY MORNING, AUGUST 31, 1843.

NATURALIZATION.
CLAY CLUB ROOM.
(EXCHANGE PLACE.)
August 21, 1843.

At a meeting of the Club, held this day, it was on motion Resolved, That a suitable and competent person be appointed by the Clay Club, for the purpose of giving the necessary legal information to Foreigners, preparatory to their becoming naturalized citizens of the United States. All such persons members of the Whig party as may desire the advantage of such information are respectfully invited to call at the office of Colonel Wm. Christy, No. 21 St. Charles street, who will take much pleasure in affording them any facilities required.

A. ROUSSEAU,
J. C. WILLIAMS,
A. CANONGE,
} Secretaries.

CLAY CLUB ROOM.
(25 EXCHANGE PLACE.)
August 14th, 1843.

The EXECUTIVE COMMITTEE of the DEMOCRATIC WHIG PARTY in this city for the sale of REAL ESTATE, respectfully give notice to such persons as may feel the importance of voting at our next MUNICIPAL, STATE and PRESIDENTIAL ELECTIONS, and have not the PROPERTY QUALIFICATIONS required by law, that we are now prepared, on the most reasonable terms, to place them in the lawful possession of that inestimable privilege, by their making IMMEDIATE APPLICATION to the Secretary at our office as above, between the hours of 9 and 3.

By order of the Committee.
(Signed) S. W. DALTON,
Chairman.
J. CHARLES GUERRY, Secretary.

THE NORTHERN MAIL failed yesterday from beyond Philadelphia. Papers from that city of the 22d contain the intelligence received by the Great Western steam packet, which arrived at New York the day previous.

LATER FROM EUROPE.
ARRIVAL OF THE GREAT WESTERN.
FURTHER ROUTS IN WALES—MOVEMENTS IN SPAIN—STATE OF THE MARKETS.

The steam ship Great Western, Captain Hoskins, arrived at New York early on Monday morning, the 21st instant, after a boisterous passage of fifteen and a half days. The whole voyage yards down and topmasts struck. The last week she experienced very thick weather.

The Great Western brought 122 passengers and a full freight.

The period intervening between the departure of the two steamers was too brief to be productive of any marked change in commercial affairs. We are glad to State that the cotton market continued steady. The trade was not animated, and the supply of American sorts was abundant.

The weather had improved, and the great corn market at Wakefield was not acted upon by the late heavy rains to the extent that was anticipated. No serious injury has yet been done to the crops, and if the remainder of the month should exhibit a fair portion of warmth and sunshine, all may yet be well. But the time is critical—sufficiently so to excite apprehension.

Nothing in the way of news had transpired since the departure of the Great Western. Seville (Spain) continued to be bombarded on the 25th ult, without any cessation, but suffering great disasters. Saragossa had sent in its adhesion to the Government at Madrid. The Junta of Catalonia had appointed General Seoane, on his passage through that place. Madrid continued tranquil. Nothing of importance from Ireland.

REPEAL.—O'Connell has invited Sharman Crawford, and the best of Ireland's landlords, to become members of the Repeal Association. He tells them, that "what the relations between landlord and tenant cannot possibly be suffered to remain as they are. There must be an end put to the exterminating clearance system. There must be an end put to the retaliatory associations of agents, landlords and incensing tenants. The stain of blood must be cleared By obliterating its causes, and that can be done by an arrangement concerted to, and concurred, by the class of landlords, and rendered sufficiently protective of the occupying tenants. Nothing can be more absurd than to accuse the repealers of a desire for separation or of any revolutionary violence. What we want is to preserve and improve our social state—not to injure it. What we desire is to consolidate the connection with England upon a popular basis—but to sever it."

REBECCA RIOTS—Swansea, Aug. 4, 7 o'clock, A. M.—No sooner were the parties chosen examination assent you in my last report committed, than the Rebeccaites, at an early hour on Wednesday night, in order, and their utter contempt of the very large military and police force assembled at this place, actually destroyed three gates, and broke in the doors and wiscows of a house.

HOUSE OF LORDS—Friday, Aug. 4.
The Lord Chancellor took his seat on the woolsack at five o'clock.

The Commissioners for taking Affidavits in Scotland and Ireland Bill went through committee; to be reported on Monday.

On the motion of the Earl of Dalhousie the Excise Bill was read a second time and was ordered to be read a third time on Monday.

The Earl of Roden presented two petitions from the county of Down in favor of a grant to the Church Education Society;—a petition from the Protestant inhabitants of Westport against the national system of education in Ireland;—petitions from places in the counties of Monaghan and Antrim against the further grant to the College of Maynooth, and a petition from the Protestant clergy, and gentry of Kilkenny, against the repeal of the legislative union. The Earl said he would take this opportunity of giving notice of his intention to present a petition from a very large class of the Protestant inhabitants of the county of Down, respecting the act of Parliament relating to processions in Ireland. He had no wish to prevent the petition in question on Monday next, but as he understood there would be some business before the house on that day, he would submit it to their lordships on Tuesday.

The Slave Trade (Austria) Bill; the Slave Trade (Mexican Republic) Bill; the Slave Trade (Chili) Bill; the Slave Trade (Portugal) Bill; and the Stamps Bill were severally read a second time.

HOUSE OF COMMONS, Aug. 4.—The House having resolved into committee of supply, Mr G. Clerk moved a sum of $1 231,000, for compensation to the owners of ship Africans, and for the support of Sierra Leone.
