birchwood, for such a perversion of history. Indeed, Monsieur Jones' eductriction of constitutional doctrines be regulated on the standard of his historical knowledge, we roust confess that the cospel of freedom has but scurvy postles in the eld domision. There is many an old crons, the spinning wheel, who knows that Leonidas never felt It the eamp of the Persians, unless indeed the narrow gorgraf Thermopyler be maddespacious enough to contain the Asiatic millions once pour on the Laconian soil.

INSTRUCTIONS TO THE COLLECTOR.

[CONFIDENTIAL.]

Treasury Department, Nov. 6, 1832.

Stat:—The act of the legislature of South Carolina, passed at their report special session, and the anticipation of the trainers which may be appirehinded from the convection salked by that act for the avowed purpose of o.p. sing and preventing the execution of the laws of the United States imposing arties on foreign goods, wares, and merchandise, make a proper innaediately to draw your attention to the arbited, and especially to some of the provisions of the expension acts of congress for the collection and security of the Convention, therefore, that the measures of the Convention, therefore, that the measures of the Convention, or the acts of the Legislature may consist, in part at least, in declaring the laws of the U. States imposing

or imports and tournage," passed the 2nd of March, 1799, to winch last act it is my intention, at present, to request

your particular attention.

It will be perceived by the 13th section of that act, that each of the collection districts, established in South Carolituned a port of entry; and though the collector, paval officer. tuled a port of entry; and though the collector, navai oncertaints surveyor, are directed to reside at Charleston, and a collector at each of the other ports, it cannot be questioned that a vessel may lawfully discharge her eargy, and if directed, make entry at any other point within the port of entry. rected, make entry at any other point within the port of en-try, and it appears also certain, that whenever, from physi-cal or moral in cessity, the laws shall be suspended at the residence of the collector, and he be prevented by a super-ion and unlawful force from the exercise of his authority at to receive and compet the legal entry at some other safe and convenient place within the port of entry, as described

You are already aware, that by the provisions of the same no goods, wares, that by the provisions of the same no goods, wares, or increhandisc, can be "brought into the United States" from any foreign porter place, in any ship or vessel, without having on board a proper manifest; that, within twenty-four hours after the arrival of any ship er vessel from any foreign port or place, at any port of the United States established by law, at which an officer of the cutto as resides, or within any harbor, inlet, or creek there-of, the master must repair to the custombound; and make report of her actival, and within forty-right hours after such delicat be must make forth. arrival, he must make further report in writing, accompa-nied by his manifest; and, that within litteen days (and by the act of the 3d March, 1821, in case of vessels of more than three hundred tans, within twenty days) after such report by the master, the owner, or consignee of the master, the owner, or consignee of the master, the owner, or consignee of the master than the owner, or consignee of the master of the wide the said collector; and that, in default thereof, the collector is authorized to take possession of said wares and marchandise, in the manner particularly described in the 56th section. At the time of making an entry that onage duties if any) must be paid; and previously the transage duties if any) must be paid; and previously thereto, the register, or other document in lieu thereof, to gither with the clearance and other papers, must be produced to the collector, and must remain the produced to the collector, and must remain the produced to the collector. direct to the collector, and must remun in his office until to the master; or the clearance of the vessel for neutron to the master; or the clearance of the vessel for another port; which elearance cannot be granted, and consequently the delivery of the papers cannot be made, untimities formalities in regard to the vessel on herarrival, shall have been compiled with, and (by the 13d section) only receipts for all the logal fees which shall have accrued on the valid, shall have been produced to the collector. By the soil section, a vessel which have arrived from a foreign port, and shall off mpt to depart without having been repricted, or entered by the master, is liable to be arrested in I brought back by the officers of the customs. The entry of the marchan has by the owner or consigner already of vely arted to, consists, besides the cher proceedings and for allities particularly required, in payor; or securing, acfig. alities particularly required, in paying or securing, according to law, the duties which shall be recertained by the collector and naval officer. Where the duties are to be secured, it is by bund or bonds; which shall include one of

boundary of the care and the content of another, one or many impectant of the legion be bequested to order a parade of the troops under the care, and superintend the delivery the standard, the care, and superintend the delivery the procession. The care of the care, and superintend the delivery the procession of the perform such other duties according to law, the procession of the ships and steamboats in this bader security the collection of the duties; and it is expression that the captains of the ships and steamboats in this parameters the collection of the duties; and it is expression. lympade the duty of said inspectors to suffer no goods,

THE BEE.
