Dear Marty:

This will confirm our conversation the other day. As I have previously told you, both orally and in writing, AFF does not refer to Landmark as a cult.

You were initially concerned that we did so and, at your request, I had the Executor Director of AFF review the information we furnish in response to inquiries, and it does not state that Landmark is, in the opinion of AFF, a cult. I trust this serves your purposes.

It was good seeing you on Tuesday, and I look forward to working with you on matters of common interest and concern.

If you have any further questions, please do not hesitate to call.

Very truly yours,

Herbert L. Rosedale
