STAR CANDLES.

It appears by the Cincinnati papers just come to hand, that the City Council has passed an ordinance to prevent the gross fraud hitherto practiced in the manufacture and sale of Star Candles. The public and press having loudly called on the Council to repress an evil, the gross deficiency in weight, that could no longer be endured.

Should not the authorities here protect our citizens from the like fraud, that no doubt has been practiced on them for years, by the importation of such candles? And now we may expect large shipments from Cincinnati, as many thousands boxes that are now manufactured, cannot, under the existing ordinance, be offered for sale there. Would it not be just and proper for the authorities to confiscate the whole of such fraudulent stock? It cannot be alleged that the star candles decrease in weight, as it is a well known fact that an increase takes place.

Let our citizens and authorities make the examination at once, and the fraud will be detected, while the upright manufacturer will meet the reward of his honesty. JUSTICE.

STAR CANDLES—1000 boxes Procter & Gamble, and Thos. Emery's brands, full weight, for sale by W. J. WRIGHT & BRO.
