

Question	
-----------------	--

solution

2. `#include<fstream.h>`

```
int main()
{
    ofstream fout;
    fout.open("out.txt");
    char str[300]="Time is a great teacher but unfortunately it kills
    all its pupils. Berlioz";
    fout<<str;
    fout.close();
    return 0;
}
```
