WINES, BRANDIES AND LIQUORS,
New Orleans.

E. JOHNS & Co's NEW EDITION of the CIVIL CODE of LOUISIANA—This long expected and much wanted work, is now received, and for sale at the store of the subscribers.

The subscription list is closed from this day. Subscribers to this book are respectfully requested to call for their copies, and to pay the amount.

The first request is made on account of the number of subscribers, which would make it impossible to deliver them all for sometime to come, the second may be easily conceived—the enormous expense the publishers have undergone in getting up this book in the splendid manner it has been executed, will be a sufficient apology for the same.
