Molasses—50 bbls received from Havana, brought upwards of 40c.

LOUISVILLE, Nov 24.

Our city during this week has been more marked with the bustle of business than for several weeks previous. Wagons and drays throng the streets, and the wharf presents an animated appearance and is crowded with boats several of the larger class, of which, having departed for New Orleans, and others are now taking in freight for the same port. The weather, which, early in the week was like May, is now marked with all the characteristics of winter—The river has fallen considerably during the week, but we look for a slight rise as boats from above report a rise of four feet. The receipts have been varied much since our last report, and we have but few alterations to make.

Bagging & Rope—Prices remain as last quoted and but little doing.

Cotton—Alabama and Tennessee in small lots are bringing 10 cents, and Mississippi and Louisiana 12½ cents.

Flour—There has been a good deal doing in Flour this week; at 6,50 to 6,75.

Grain—Wheat remains as in our last; Corn brings 50 cents.

Tobacco—Amount inspected since our last 37 hhds.

No. 1,	we quote at	$4,75 to $5,70
No. 2,	"	3,60 to 4,50
No. 3,	"	2,00 to 2,50

The demand is good and a further advance in prices is expected.

Lard—Continues dull, no demand, and prices nominal at 6¾ to 7c.

Pork—There have been some small shipments of new Pork made to the south on account of Packers, and but little if any from second hands. The slaughtering both at Cincinnati and in this vicinity, was suspended early in the week, in consequence of the unusual warmth of the weather, but as it has now set in cold, it will be again briskly resumed. We can give price for the article. Much of the slaughtering has been done on account of Drovers, there being as yet no stated price for Packers in market, in Pork, though our transactions are by no means so great, is at present similar to that of Cincinnati.—Coffee—Inactive at 18¾ to 14.

Sugar—N° O. is very scarce and but little doing at 7 to 7¼.

Whiskey—is in good request—from wagons sales are making at 27½; Rectified, to 30.
