

HAVE YOU PROMISED

*To buy War-Saving Stamps before
January 1, 1919, in order that Louisiana
may fulfill its obligation to the govern-
ment?*

**IT IS YOUR PATRIOTIC DUTY TO KEEP
YOUR PROMISE**

*It is to your advantage to do it.
You thereby put by a surplus fund for use
in any emergency in the safest hands in
the world, bearing 4 per cent interest com-
pounded.*

*Uncle Sam depends upon you
keeping your promise. He counts upon you
as a man of your word. Don't disappoint
him.*
