

## MESSAGE

I congratulate the Royal Over-Seas League on its centenary and the Hong Kong Branch on its 11th Anniversary.

The Royal Over-Seas League works tirelessly around the world to enhance international understanding and friendship. Your dedication and excellent work in support of charities globally and in Hong Kong are exemplary. Since 1999, the Hong Kong Branch has helped to promote Hong Kong to our overseas friends and has made an important and much appreciated contribution to our society.

I wish the Royal Over-Seas League and the Hong Kong Branch continued success in building long and enduring friendships between people and places.
