FALKLAND, a novel, by the author of Pelham. Paul Clifford, &c. in 2 vols. 12mo. The style of writing, the thoughts, the philosophical reflections, and we might add, we think, the actions are the first rate excellence. Its merit is altogether of a higher order than we have lately seen; wholly of a genuine original stamp, betraying traces of, or resemblance to any class of fiction we could name. It is indispensable to the military and naval surgeon. London Medical Surgical Journal. Just received and for sale by WM. M'KEAN.

HEPNER'S PRINCIPLES OF MILITARY SURGERY, comprising observations on the arrangement, policy and practice of Hospitals, and the history, treatment and anomalies of various and peculiar diseases, illustrated with cases, and by John Hepner, M. D., F. R. S. E., Inspector of Military Hospitals, and the third London edition, with a Letter to the Editor, by his son, Dr. John Hepner, &c. &c. The value of Dr. Hepner's works is too well appreciated to need any further notice. We were only rejoiced to be enabled to present to the public the notice of our countrymen, and in doing so, we shall merely be doing what is our duty. A place in every library and in every school ought to be without it. M. D. 1822. It is a work of superior merit, and is one of the most valuable contributions to the science of medicine. It is a second opinion on its merits. It is indispensable to the military and naval surgeon. London Medical Surgical Journal. Just received and for sale by WM. M'KEAN.
